10. Environment conscious (View and practice for energy conservation, use of green technology, re-usable products)

Always Frequently Rarely Never Some time

What specific feedback would you want to give MARWADI UNIVERSITY regarding changes in courses /curricula that would help its students perform better in industry

1. Please give your suggestion

domain specific experts in the your curriculum design and development committee. Even I like to add one more point - give the industrial related problems to the student either in the form of assignments/case study/project.

What feedback would you want to give MARWADI UNIVERSITY regarding the skills that need to be developed in the students during their stay in MARWADI UNIVERSITY

1. Please give your suggestion

Student May add more skill related to Manufacturing processes

Please mention any other comments which you would like to provide

1. Please give your suggestion

Over all experience while interacting with the students are very good. Student domain knowledge is very good. Furthermore more skill related to lighting system may be further add on.

Submit

What specific feedback would you want to give MARWADI UNIVERSITY regarding changes in courses /curricula that would help its students perform better in industry

1. Please give your suggestion

It is observed that the pre final and final year curriculum consist of the courses those objectives provide knowledge of industrial aspects which is really appreciable.

What feedback would you want to give MARWADI UNIVERSITY regarding the skills that need to be developed in the students during their stay in MARWADI UNIVERSITY

1. Please give your suggestion

The knowledge about software's like AutoCAD and STAAD are the need of today's companies offering civil engineering services. And the department has offered training and workshops on the same which is good.

Please mention any other comments which you would like to provide

1. Please give your suggestion

From the screen test of the students by our company we would suggest that some aptitude training may be offered to the students on a regular basis.
