What specific feedback would you want to give MARWADI UNIVERSITY regarding changes in courses /curricula that would help its students perform better in industry
Please give your suggestion
The curriculum should extend skills useful in software integrated industries for example packages like Revit structures and E-Tabs.
What feedback would you want to give MARWADI UNIVERSITY regarding the skills that need to be developed in the students during their stay in MARWADI UNIVERSITY
Please give your suggestion
The content of the courses for example professional practice and valuation can be stretched to the next level of learning in terms of
case studies to be done by the students which will enhance their analytical skills.
Please mention any other comments which you would like to provide
Please give your suggestion
Overall, the professional grooming of the students is observed satisfactory however more industry specific skill courses may be offered.
