Report on CPR (Cardiopulmonary Resuscitation) training Camp

On

05th OCTOBER 2021

Date & Duration	05th OCTOBER 2021
Name of the Activity / Event	CPR (Cardiopulmonary Resuscitation) training Camp
Activity Level	University Level
Activity Type	Health & Emergency
Organizing Club / Committee	NSS
Activity / Event Coordinator	Prof. Vishal Sorathiya
Total no. of participants	330

Brief about event /Activity:

The NSS unit of Marwadi University organized a **CPR** (Cardiopulmonary Resuscitation) training Camp on 05th October 2021 in collaboration with GOKUL hospital – Rajkot. The venue for the CPR training camp was Auditorium PG Building Marwadi University campus. The training camp started around 12:30 noon and longed for about 2-3 hours. **Attendees (315)** were 1st Semester Bachelor of Engineering Students. A total of **15 NSS volunteers** played an active and supportive role in the CPR training camp on that day.

The Event Started with Suresh Sir sharing his life experience when he was young and how his life was saved by one of his mates with CPR. The event then continued with one of the doctors from Gokul hospital explaining the ways of CPR and its significance. The Event concluded with Prof. Vishal sir explaining to new students about NSS and its work in the past several years. Thank you from team NSS.

The NSS Volunteers who joined and helped in the event were:

Report on Kagdadi Village Camp for 3 Days

On 21st, 22nd & 23rd September 2021

Date & Duration	21st, 22nd & 23rd September 2021
Name of the Activity / Event	Kagdadi Village Camp for 3 Days
Activity Level	First Year Diploma Engineering students only
Activity Type	Social visit
Organizing Club / Committee	NSS
No. of Student Participants	348
No. of NSS Volunteers	14
Activity / Event Coordinator	1) Prof. Vishal Sorathiya 2) Prof. Pratik Patel 3) Prof. Khushboo Pandya 4) Prof. Dhiraj Shrimali 5) Prof. Chirag Visani 6) Prof. Jigar Pandya

Brief about event /Activity:

The NSS unit of Marwadi University has organized the village camp for 3 Days at Kagdadi village for the first-year Diploma engineering students to meet the bellow mentioned learning outcomes.

Learning outcomes: Students will be familiar with living conditions, especially in rural India. Also, understand the problems faced by them and students will have a social connection as well as emotional bonding with the people living in the Village area.

A total of **348 students** have joined in the village visit along with **14 NSS volunteers** and have golden memories of the Village visit. The details of various activities are as per the below-mentioned report. Thank you from team NSS.

Details of 3 Days Kagdadi Village camp

Day 1: 21st September 2021

On 21st September 2021, Branch involved is Diploma Computer Engineering.

The buses allocated to us were:

- ✓ Bus no. 54; GJ03AZ5846
- ✓ Bus No. 21; GJ3AW9787

The NSS volunteers who went on that day were:

Sr. no.	Volunteer Name	Enrollment	Gr. No.
1	Raturajsinh Parmar	92110133033	112901
2	Udit Raj	190570116039	17403
3	Aelish Sanghani	180570106028	15725
4	Rohit kumar	190570119021	17387

Details of 3 Days Kagdadi Village camp

Ashwani

3 Days Kagdadi Village Camp Activities details

1. Stay at the Village entrance

All gathered at the village entrance in the temple there and one of our NSS volunteers Mr. Ruturaj Parmar explained to students about NSS and the rules they must comply with during the visit.

Ruturaj Parmar

3 Days Kagdadi Village Camp Activities details

2. visiting village roads

The village roads moved in a loop and were about 2-4 kilometres. we moved from the village entrance which meant passing from the village panchayat office to the village's heart, a temple, and then to reaching the proper village home, shops, and iron workshop and moving past other roads to reach the exit of the village.

Report on Development Through Quality Education

From 15 February to 04 March 2021

Date & Duration	15 February to 04 March 2021
Name of the Activity / Event	Development Through Quality Education
Activity Level	NSS Volunteers
Activity Type	EDUCATION For Labour Colony children
Organizing Club / Committee	NSS
No. of NSS volunteers	22
Activity / Event Coordinator	Prof. Vishal Sorathiya
No. of Children Benefited	21
Total Participants	43

Brief about event /Activity:

The NSS unit of Marwadi University has organized a program for educating children of the labour colony within the campus of the Marwadi University during the construction work of the various buildings. A total of **21 children** of labour colony benefited from 15th February 2021 to 04 March 2021. The alphabet and numbers were taught by the **22 NSS volunteers** to the children so that their reading and writing skills of children improved. Photographs and a glimpse of the quality of education are attached to the report. Thank you from team NSS.

Report on Clean India Green India Campaign

On

29th & 30th November 2021

Date & Duration	29th & 30th November 2021
Name of the Activity / Event	Clean India Green India Campaign
Activity Level	Faculty of Law & NSS
Activity Type	Social – Cleanliness activity
Organizing Club / Committee	FoL (Faculty of Law) & NSS
No. of NSS volunteers	32
No. of Students participants	41
Total Participants	73
Activity / Event Coordinator	Prof. Vishal Sorathiya & Prof. (Dr.) Rishikesh Dave

Brief about event /Activity:

A Clean India Green India Campaign was organized by the Faculty of Law, Marwadi University in collaboration with Zenj Leadership and the NSS (National Service Scheme) Unit. The Event was organized under the name ' Felicitation Ceremony of Climate Change Speech Contest & Cleanliness Drive ' in the month of November 2021 for 2 days on the 29th & 30th.

Day 1 was a speech contest including some space and time for a bit of entertainment. it went for 3-4 hours. Day 2 was a cleanliness drive in which 32 NSS volunteers participated alongside Zenj leadership members. Great memories and contribution towards society by the team. Thank you from the faculty of LAW & team NSS.

THE LEGAL AID SOCIETY
Faculty of Law, Marwadi University
A Report of Visit of Hadmatiya Village,
Paddhari Taluka, 13.11.2021

A handwritten signature in black ink, appearing to read 'Daneb'.

Dean
Faculty of Law
Marwadi University
Rajkot

1. Introduction:

The LAS organized various kinds of Community Outreach programmes which were also called Legal Awareness Drives. These were majorly conducted in the Hadmatiya Village, Paddhari Taluka, villages of Rajkot District. The volunteers contributed minimum of 2 hours in every drive which extends to 3.5 hours depending upon the prescribed area to be covered.

The volunteers were briefed about the purpose of the drive and are acquainted with the basic information and all the precautionary measures to be taken. The volunteers went from door-to-door creating awareness about the legal aid services provided by FOL for the various sections of the society. The people in the neighborhoods' were informed when and where they can avail these services and were explained about the procedure in the simplest way as possible under the guidance of District Legal Services Authority(DLSA).

2. Objectives:

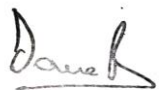

- (i) To spread awareness regarding Free Legal Aid.
- (ii) To spread awareness regarding the District Legal Services Authority.

3. Outcomes:

It was a great event as the Legal Aid Society, Faculty of Law, Marwadi University, in association with Women Cell, Marwadi University, successfully achieved the desired objectives. We spread awareness regarding Free legal Aid, District Legal Services Authority etc.

4. Special Thanks:

The Legal Aid Society, Faculty of Law, Marwadi University, would like to extend its gratitude towards Dr. Rhishikesh Dave (Dean, Faculty of Law) for their continuous support and guidance.

1. Introduction:

The LAS organized various kinds of Community Outreach programmes which were also called Legal Awareness Drives. These were majorly conducted in the Bedi Village, Rajkot District. The volunteers contributed minimum of 2 hours in every drive which extends to 3.5 hours depending upon the prescribed area to be covered. The volunteers were briefed about the purpose of the drive and are acquainted with the basic information and all the precautionary measures to be taken. The volunteers went from door-to-door creating awareness about the legal aid services provided by FOL for the various sections of the society. The people in the neighborhoods' were informed when and where they can avail these services and were explained about the procedure in the simplest way as possible under the guidance of District Legal Services Authority (DLSA).

Even after so much of statutory provisions, committees and authorities, there is still a vacuum which needs to be filled. Even today, many people settle for injustice because they cannot afford an advocate to defend them. These legal aid services are for the poor and illiterate people, and the major issue is that they are not educated. They do not have a legal education, that is, they are not aware of their basic rights and legal rights. People are not much aware of the legal aid services which they can avail.

2. Objectives:

- (i) To spread awareness regarding Free Legal Aid.
- (ii) To spread awareness regarding the District Legal Services Authority.

3. Outcomes: It was a great event as the Legal Aid Society, Faculty of Law, Marwadi University, in association with Women Cell, Marwadi University, successfully achieved the desired objectives. We spread awareness regarding Free legal Aid, District Legal Services Authority etc.

4. Special Thanks:

The Legal Aid Society, Faculty of Law, Marwadi University, would like to extend its gratitude towards Dr. Rhishikesh Dave (Dean, Faculty of Law) for their continuous support and guidance.

**Report on "EXPERT TALK ON
BREAST CANCER AWARENESS"**

Objective: To awaken the knowledge in the field of science for the student

Date: March 7, 2022

Time: 11:00 A.M. Onwards

Venue: Inner seminar hall, PG Building

Description of event:

Breast cancer and cervical cancer of the cervix remains a major public health Problem for India, especially as we are getting a higher number of cases in young Female students for cervical cancer. Even every day, a number of women under the age of 40 are diagnosed with breast cancer as well. By awareness we can Prevent its onset or diagnose at an early level to decrease its mortality. The most common factor for onset of cervical cancer is hpvhuman papillomavirus. The expert talk is based on how the hpv vaccine would be useful for the young Females.

Speaker Name:

Dr. Sejal Shah

Report on "DHA food preparation contest"

Objective: To awaken the creative mind in cooking of the student

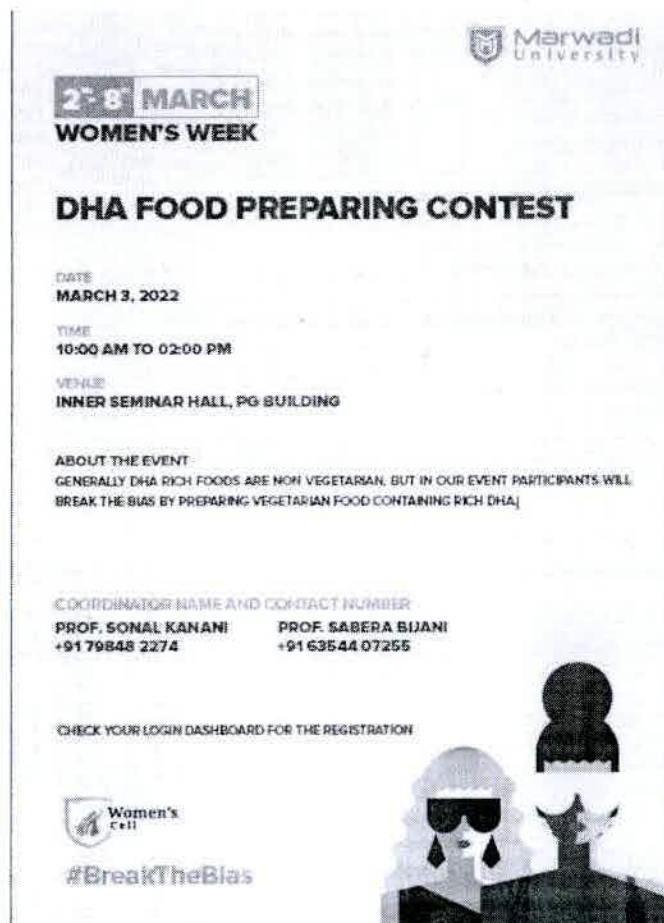

Date: March 3, 2022

Time: 10:00 A.M.- 12:00 P.M.

Venue: Inner seminar hall, PG Building

Description of event

DHA is a vital component of every cell in your body. It's essential for brain development and function, as it may affect the speed and quality of communication between nerve cells. Furthermore, DHA is important for your eyes and may reduce many risk factors for heart disease. Generally DHA rich foods are non vegetarian, but in this event participants will break the bias by preparing vegetarian food containing rich DHA.

The poster features the Marwadi University logo at the top right. Below it, the text reads "2-8 MARCH WOMEN'S WEEK" in a stylized font. The main title "DHA FOOD PREPARING CONTEST" is prominently displayed. Event details include the date "MARCH 3, 2022", time "10:00 AM TO 02:00 PM", and venue "INNER SEMINAR HALL, PG BUILDING". A section titled "ABOUT THE EVENT" explains that while DHA-rich foods are typically non-vegetarian, participants will break this bias by preparing vegetarian options. Contact information for coordinators Prof. Sonal Kanani (+91 79848 2274) and Prof. Sabera Bijani (+91 63544 07255) is provided. A note directs participants to check their login dashboard for registration. The poster concludes with the Women's Cell logo and the hashtag #BreakTheBias, accompanied by a graphic of a woman and a man wearing sunglasses.

2-8 MARCH
WOMEN'S WEEK

DHA FOOD PREPARING CONTEST

DATE
MARCH 3, 2022

TIME
10:00 AM TO 02:00 PM

Event Report-Visit to Muni Seva Ashram

Name of Event: Visit to Muni Seva Ashram Baroda

Date: 26/03/2022

Time: 12: 00 pm to 6: 00 pm

Organizing institute and Department: Physics Department Marwadi University, Rajkot

Collaborating Institute and Department: Muni Seva Ashram Baroda,

Name of Faculty coordinator: Dr. Yogesh N Jani, Dr Mukesh Keshvani,

Dr Priynak Trivedi

Name of Student Coordinator: Abhishek Pandya, Priya Prajapati

Name of Resource Person: Dr

Institute and Department of Resource Person:

Name of departmental faculties involved in the event: Physics

Course and Semester of Participating students: B.Sc -Sem.-6 and M.Sc -Sem.-4

No of Student Participated: 23

Activity: Visit

Any other details:

Objectives:

- To familiar student about renewable energy.
- To give practical exposure to the students about solar energy.
- To build up team work and leadership
- To motivate students to do some project in the field of renewable energy

Expected out comes:

- The students acquired practical knowledge about renewable energy.
- The student gets familiar with new technology, especially in the field of solar thermal.
- The students understood about the opportunities in the field of renewable energy.

Handwritten signature

Details of the activity:

- Started from Rajkot at 5:30 am and Reached Muni Seava Ashram, Baroda at nearly 12 pm.
- First of Mr. Aditya Soni sir (Scientist working at Sunrise company at Muni Seva Ashram) has given idea about the activities of the Ashram and about the Ashram.
- The group has taken lunch at 12:30 pm in the canteen of the Ashram.
- First of all Mr Aditya introduced about Solar Thermal plant at Asthram and explain how does it works and then mentioned about new technology involved it, all the students have observed and listen carefully to understand the mechanics of it and asked questions about it and made good technical discussion. Mr Aditya mentioned about the scaling of the technology make quite difference in the cost of the project.
- Secondly entire group has visited Bio-Gas plant, it is bio gas plant of floating dome type technology. The students have seen its working and application. This plant provide good quality of Gas for cooking and manure for the agriculture. Here students acquired knowledge of entire bio gas plant and about product cost and its advantages also. Muni seva Ashram also running one Gau-Shala with 120 cows to run this plant get raw material for it.
- Then students have visited Gujarat Molecular Imaging India plant at Muni seva ashram, which is making radio isotopes, for Ashram hospital for cancer diseases.
- The students also visit power supply unit of Muni seva ashram, here they observed that how cooling and power supply is done in entire Ashram. The hard waste of entire ashram is collected and made some fuel which is burnt in boiler and produce the steam which is used for many purpose like pressing. Cleaning and cooking also.
- Finally the group has visited special category of solar thermal parabolic reflector to produce good quality of water vapor (steam up to 500°C) and finally it used for many purposes at the Ashram.
- At last student have interacted with Mr. Aditya Zha sir who is retired army commander and working as chief activity observer at the Ashram. The student interacted with him learn many lesson of real life. Overall it was informative and interactive visit.

Aditya

**Departmental Activity # Health Camp at Bedi
Village**

December 07, 2021

Pharmacists are often the first line of contact for patients in rural communities and provide important advice on the safe use of prescription and over-the-counter medications to remedy symptoms until a physician is available. Pharmacists play an important role in enhancing public health and increasing access to care in rural and underserved areas in coordination with other health care providers.

The Faculty of Pharmacy Marwadi University in collaboration with the Faculty of Physiotherapy and Bedi Gram Panchayat had organized a health camp on 7th Dec, 2021. B. Pharm 8 Students (Jay Chhaniyara, Meet Ramani, Sheyansh Vagadiya, Hatim Contractor, Vishal Vadodariya) had participated enthusiastically in this community service and provided the blood sugar and blood group testing services free of cost to the villagers.

From faculty of pharmacy, the event was coordinated by Dr. Lalji Baldaniya, Principal and Professor and Dr. Ashishkumar Kyada, Associate Professor.

The objective to involve pharmacy students in this health camp is to sensitize them for discharging community services. Being healthcare students, another objective was to make them aware of their social responsibilities and instil moral values.

Around 90 villagers benefited from a health camp organized by the Faculty of Pharmacy, Marwadi University.

The health camp provided an opportunity to our pharmacy students to do their bit in community service.

**Departmental Activity # Health Camp &
Awareness activities
(World Pharmacist Day celebration)
REPORT
September 25, 2021**

On September 25, World Pharmacists Day honours pharmacists for their contributions to global health. The goal of the day is to raise awareness about pharmacies. People across the world show their gratitude to an indispensable force, committed to provide their noble services and transform global health. World Pharmacists Day encourages events all around the world that promote and advocate for the pharmacist's role in promoting health. Pharmacists are in charge of making sure that individuals get the most benefit from their prescriptions. They put their knowledge, experience, and expertise to good use in order to make the medical world a better place for everyone. They also give people access to medications, teach them how to take them properly and do a range of other things. This year's theme was "Pharmacy: Always Trusted for Your Health". The subject emphasises the need for trust in health treatment. Because there is a strong link between patient health outcomes and trust in healthcare personnel. The importance of trust in all human relationships cannot be overlooked. Patients with higher trust in their healthcare practitioners reported higher satisfaction with treatment, more good health behaviours and fewer symptoms, and increased quality of life in a variety of clinical settings.

Keeping in mind year's theme for World Pharmacist Day, the Faculty of Pharmacy, Marwadi University had organized events to celebrate the day on **25th September 2021**. Following events were organized for the day;

WORLD PHARMACISTS DAY CELEBRATION

25 SEPTEMBER 2021

Sr.	Event	Date	Time	Venue
1	Pharma-Rangoli	24-09-2021	14:00 to 17:00	MC5R2

16	Valedictory function	25-09-2021	15:00 to 16:00	Auditorium

Photo: Event Schedule

There was wholehearted participation by the students and they displayed their skills and enthusiasm in various activities.

Notably, we had organized health camp for the blood sugar testing and BP measurement free of cost at the race course circle (outside event), Rajkot as well as within campus. One hundred 25 people benefited from this health camp.

In addition, we had also organised an awareness webinar on adverse drug reaction reporting on the same day to mark the National Pharmacovigilance Week celebration on the theme of Pharmacovigilance – A step towards to patient safety.

In this webinar Dr. Ashishkuamr Kyada, Faculty of Pharmacy, Marwadi University talked about importance and ways of reporting of ADR. The session was live streamed on MU Facebook page during 11:45 am to 12:30 pm.

FACULTY OF PHARMACY & SCIENCE

Activity report: WOMEN'S WEEK CELEBRATION

We **Faculty of Pharmacy & Science, Marwadi University** have participated in Women's Week Celebration organized at University level during **March 2-8, 2022**. B. Pharmacy students took part in this competition with the aim to improve their self-confidence.

Importance of Women's day:

Women's Day is celebrated globally on March 8th every year in honour of their remarkable contribution to our society. The day also commemorates the inspiring role of women around the world to secure women's rights and build societies that are more equitable.

Objective:

- Encourage the girls to communicate with everyone.
- Celebration has evolved and embraced culture and ethnicity to emerge as a celebration of appreciation, respect and love towards women.
- Building self-confidence of the girls.
- Enriching curriculum with interdisciplinary.
- Increasing spontaneity and interactivity.

Kagdadi Camp, Organised by Faculty of Physiotherapy, Marwadi University

17/2/2020, Kagdadi

On 17th February, 2020, a camp was organised for people living in Kagdadi village, by Faculty of Physiotherapy, Marwadi University. Previous registration was advised from the patients seeking consultation and patients were registered. On the day of camp, 32 patients were consulted. Consultation was done by Dr Jayesh Parmar, Dr Yagnik Dave and Dr Radhika Pandey.

34 Students from FY BPT volunteered and helped in camp by teaching exercise to the patient as guided by therapists

Patients were taught and advised specific physiotherapy exercises for their condition and some were referred for further diagnostic procedures like X ray.

Hack 4 Inclusion 2.0

Team No: 029

Team Name: Code Linguists

Date of Event: 15-17 May,2022

Members:

Ananya Sathyanarayanan

Neha Suva

Komal Bhagchandani

Disha Sanghavi

Hack 4 Inclusion was a hackathon conducted on 15-17, May, 2022 by IIIT Allahabad exclusively for women. There was more than 200+ participants with around 50+ teams. Our team has secured 2nd place with a cash prize of Rs. 25,000 & Bluetooth speakers. We have developed an app called First Talk which bridges the communication gap between Challenged (Deaf/Mute) people with normal people. We have used Machine Learning (ML) & Android Studio this project. The overall accuracy of the detection model is 96%.

First Talk

First Talk an App which bridges the communication gap between Challenged (Deaf/Mute) people with normal people. It allows challenged people to have regular conversations with common people on day-to-day basis, using our live detection system.

Using the live detection technology, these challenged people can talk with the common people. When these challenged people perform their sign language, the app recognizes their sign language and outputs them in text format. This app also has a learning section where common users can take up courses to learn sign language.

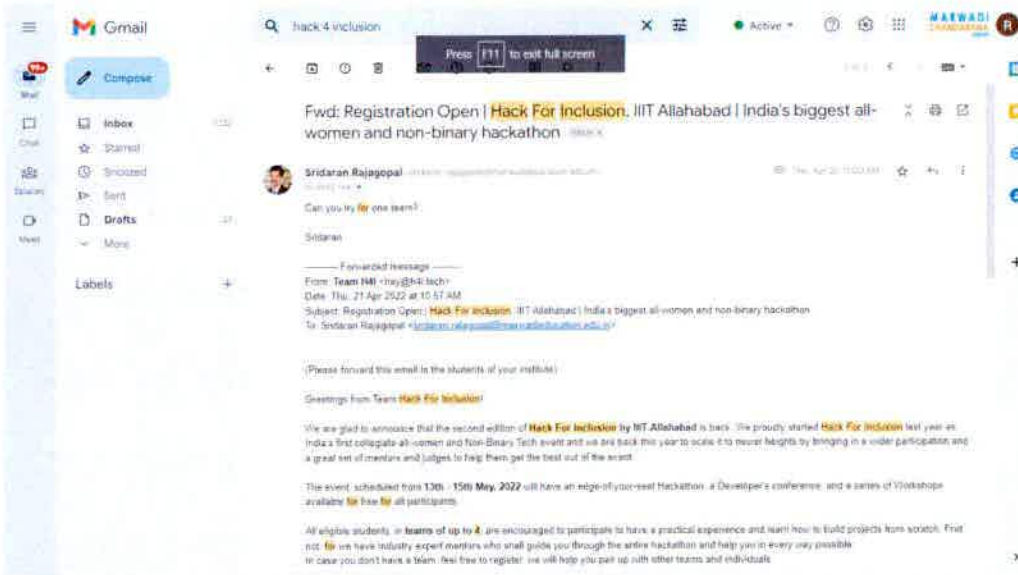

Features

- Our app mainly uses a detection technology, through which the challenged people act their sign language & the app outputs the text they are trying to communicate.
- Apart from detection technology and its uses, the app also contains a learning section where anyone can take up free courses to learn the sign language from scratch.
- Sign Language Detection can be performed in American Sign Language (ASL), Indian Sign Language (ISL). In ISL, we have incorporated Hindi & Gujarati Language.

with the common people. When these challenged people perform their sign language, the app recognizes their sign language and outputs them in text format. This app also has a learning section where common users can take up courses to learn sign language.

FEATURES OF THIS APP

- > Our app mainly uses a detection technology, through which the Deaf/Mute people act their sign language & the app outputs the text they are trying to communicate.
- > Also using this detection technology, the user can perform Google searches, and YouTube Searches through sign language.
- > Apart from detection technology and its uses, the app also contains a learning section where anyone can take up free courses to learn the language from scratch.

Challenges we ran into

- > Integrating the machine model with the app functioning on Android studio.

Socio Nature Club Activities Report

Activity : Old Age Home Visit , Maheshwari Ashram, Ratanpar

Dt : 21-06-2021

Socio Nature Club, Faculty of Computer Applications, Marwadi University, arranged a visit of Old Age Home, Maheshwari Ashram, Ratanpar (Dist:Rajkot) on dt:21-06-2021 from 10:00 pm To 2:00 pm. More than 50 persons are living in Old Age Home. Total 21 students participated in this social activity.

This activity was divided in two parts. In first part, Prof.Ashwin Dobariya, Coordinator – Socio Nature Club,F.C.A. MEFGI gave introductory speech of this program and displayed video Clip of Moraribapu Ram Katha.

After the video session, lunch was arranged for all persons and staff of Old Age Home and served by the student's volunteers.

It was a different experience for all the club member students about this visit and satisfaction of social activities towards the society. The contribution was received from all the students and faculty members of F.C.A. for this social activity.

Dr.R.Sridaran, Dean,F.C.A and F.C.A family appreciated the students work and congratulated to an entire team of Socio Nature Club for nice arrangement of this activity.

Socio Nature Club, Faculty of Computer Applications, Marwadi University, organized a **Tree Plantation Activities at Pradhyuman Park, Rajkot** on 11-12-2021, from 10:00 am to 01:00 pm, in association with the "Rajkot Municipal Corporation". There were 32 students & 2 faculty members participated in the activities.

All the necessary tools which are needed for plantation provided by **Rajkot Municipal Corporation**. Mr.Sunilbhai Staff member, RMC taught students in details about how to plant? The other supporting staff of Pradhyuman park also shared their knowledge about the plants & their importance. After the introduction session, all 32 students were divided into 4 (Four) different groups. Each group was assigned various jobs. Each group was given a certain number of saplings which had to be planted.

Dr R.K. Hirpara, Zoo Superintendent, Pradhyuman Park, Rajkot also visited the place during activities and appreciated students efforts for their interest in natural resources.

At the end of program, on behalf of F.C.A, MEFGI, Prof.Ashwin Dobariya, SocioNature Club Coordinator expressed sincere thanks to all supporting staff of RMC and Dr.K.D.Hapaliya saheb , Director - Parks & Garden , RMC,Rajkot for their kind support in arrangement of this wonderful activity & Prof.Khyati Joshi for monitoring students during an entire event.

The overall planning was coordinated by Prof. Ashwin Dobariya and Socio-nature Club Members of F.C.A under the guidance of Dr.R.Sridaran , Dean,F.C.A, MEFGI.

NSS Activities Report

Activity : Colourful Celebration with Challenged Children Dt:05-03-2022

Socio Nature Club, Faculty of Computer Applications, Marwadi University, organized an event “*Colourful Celebration with Challenged Children (C4)*” for celebration of Holi – Dhuleti festival with Mentally & Physically Challenged Children at “Setu Hobby Center”, near Bhutkhana Chowk, Rajkot on dt:05-03-2022 from 05:00 pm To 7:30 pm.

Total 20 students volunteers and 4 faculty members were participated in this social activity & total 30 challenged children do different kind of activities in this organization.

Our activity was started with the prayer & National Anthem and followed by Garba which played by everyone including volunteers, children and staff of the organization. After completion of Garba, gifts and chocolates were distributed to all the children. Then Dhuleti was celebrated with flowers instead of colours with all children. At the end of event, we enjoyed a dinner with children. We had ordered dinner to a catering person Mr.Ashutosh Bhatt who is also taking care three of his family members at home who are also mentally and physically challenged.

An entire event was planned and organized by Prof. Ashwin Dobariya, Coordinator – Socio Nature club.

The main aim of this activity is to create awareness and motivate students to take part in such kind of social activity. Students enjoyed a lot with children and learned to be happy by making others happy.

**BP and RBG testing and awareness program
REPORT**

January 20, 2022 [Thursday]

Participants: Students and Faculty Members of FoP participated

Year: AY 2021-22

Date: January 20, 2022, Thursday

Location: Racecourse Ring Road

The total number of students who participated: 7

Total number of people benefited: 39

Objective: To check the blood glucose level for general people and spreading the awareness of and importance of blood glucose level maintenance.

Convener

Dr. Lalji Baldaniya

FoP, MU

Even coordinator:

Dr Ashish Kyada

FoP, MU

Brief about BP and RBG testing event.

Why do I need to measure my blood pressure?

Measuring your blood pressure is the only way to know whether you have high blood pressure. High blood pressure usually has no warning signs or symptoms, and many people do not know they have it.

Why blood pressure matters

High blood pressure — the “silent killer” — usually has no symptoms. It can damage your heart, kidneys and brain before you know anything is wrong. High blood pressure is a major risk factor for cardiovascular disease. Without treatment, high blood pressure can cause:

- Transient ischemic attack (TIA).
- Stroke.
- Heart attack.
- Enlarged heart.
- Heart failure.
- Peripheral artery disease.
- Aneurysms.
- Kidney disease.
- Broken blood vessels in your eyes.

Know your numbers: Blood pressure

Blood pressure category	Systolic (Upper number)	And/Or	Diastolic (Lower number)
Normal	Less than 120	and	Less than 80
Elevated	120-129	and	Less than 80
High blood pressure (Hypertension Stage 1)	130-139	or	80-89
High blood pressure (Hypertension Stage 2)	140 or higher	or	90 or higher
Hypertensive crisis	Over 180	and/or	Over 120

CONSULT YOUR DOCTOR IMMEDIATELY

If you are over the age of 65, speak to your provider as your blood pressure goals may be different from those listed.

What is Random Blood Sugar Level? (RBS)

Random blood sugar levels (RBS) are when a person is tested for diabetes randomly throughout the day. During this, a few drops of a person's blood is deposited on a diabetes test strip to determine their blood glucose levels. Once the test strip shows the results it can be determined if a person has diabetes or not.

What is the random blood sugar normal range?

Following are the random blood sugar normal range (RBS normal range) values:

Random Blood Sugar Levels	Conditions Diagnosed
110 - 140 mg/dL	Normal RBS Level
Between: 140 - 200 mg/dL	Prediabetes
Higher than 200 mg/dL	Diabetes

This event was organized by the faculty of pharmacy at APMC Marketing Yard Rajkot. RBS and BP were measured by the people who are working in the marketing Yard.

Throughout this event number of persons have taken the benefit and they checked their BP and RBS. Students of B Pharmacy have participated as volunteers and Dr Ashish Kyada and Ms Sarah Gadavala guided the students

Through this drive, department students also spread the knowledge about glucose levels and the importance to maintained of sugar levels in the body. Also narrated to the people about risks and management of blood pressure.

Free physiotherapy camp

Organized by the Faculty of Physiotherapy, Marwadi University at Bedi

On the 12th of December 2021, the Faculty of Physiotherapy at Marwadi University held a free physiotherapy camp in Bedi village. The event was organized under the guidance of our principal, Dr. Jayesh Parmar, and was attended by 10 students from the final year of the Faculty of Physiotherapy.

The camp was led by Dr. Yagnik Dave, an assistant professor in the Faculty of Physiotherapy, and was also attended by Dr. Ashna Bhojani, who is also an assistant professor in the same department. The team provided free physiotherapy services, including consultation, diagnosis, and treatment for a wide range of conditions such as sports injuries, muscular strains, and sprains. The team also provided advice on stretching and strengthening exercises that can help improve physical fitness.

The event was well-received by the villagers, with 55 patients visiting the camp to receive healthcare services. The team worked diligently to provide healthcare services to all the patients, and the event received positive feedback from the villagers. The event was a great opportunity for the students of the Faculty of Physiotherapy to gain practical experience in providing healthcare services in a rural setting.

In conclusion, the free physiotherapy camp at Bedi village was a successful event that provided valuable healthcare services to the villagers. The event also provided practical exposure to the students of the Faculty of Physiotherapy, who were able to gain valuable experience in providing healthcare services in a

real-world setting. We are committed to continuing our efforts to provide free healthcare services to the underprivileged communities and look forward to organizing more such events in the future.

Free physiotherapy camp

Organized by the Faculty of Physiotherapy, Marwadi University at Gauridad

On the 7th of March 2022, the Faculty of Physiotherapy at Marwadi University organized a free physiotherapy camp in Gauridad village, with the aim of providing healthcare services to the villagers. The event was organized under the guidance of our principal, Dr. Ashish Kakkad, and was attended by 6 students from the final year of the Faculty of Physiotherapy.

The camp was led by Dr. Rahul Chhatlani, an assistant professor in the Faculty of Physiotherapy, and was also attended by Dr. Ashika Tanna and Dr. Ashna Bhojani, who are also assistant professors in the same department. The team provided free physiotherapy services, including consultation, diagnosis, and treatment for a wide range of conditions such as stroke, cerebral palsy, and spinal cord injuries. The team also provided advice on exercises that can help improve mobility and independence.

The event was well-attended, with 75 patients visiting the camp to receive healthcare services. The team worked tirelessly to provide healthcare services to all the patients, and the event received positive feedback from the villagers. The event was a great opportunity for the students of the Faculty of Physiotherapy to gain practical experience in providing healthcare services in a rural setting.

In conclusion, the free physiotherapy camp at Gauridad village was a successful event that provided valuable healthcare services to the villagers. The event also provided practical exposure to the students

Village visit report of Raj Shamadhiyala Village.

A group of ICT students from Marwadi University, Rajkot, Gujarat visited the village of Raj Shamadhiyala. The aim of the visit was to provide the students with a first-hand experience of rural life and to introduce them to the challenges and opportunities in rural India.

Date : 23/05/2022.

Branch : ICT – Engineering

Total Students : 51

Faculty Members : Prof. Chirag Visani, Prof. Jigar Pandya, Prof. Santy Thomas

Raj Shamadhiyala is a small village located about 30 kilometers from Rajkot. The village has a population of approximately 1000 people, and the primary occupation of the villagers is agriculture. The village has a mix of different castes and religions, including Hindus, Muslims, and Jains.

Objective:

The objective of the village visit to Raj Shamadhiyala was to provide the ICT students of Marwadi University with a first-hand experience of rural life in India. The visit aimed to expose the students to the challenges and opportunities in rural areas, and to help them understand the role that ICT can play in the development of rural communities.

Head of Department
Dept. of Information and Communication Technology
Marwadi University

Outcome:

The visit to Raj Shamadhiyala was a great success, and the students gained valuable insights into rural life in India. Some of the key outcomes of the visit are as follows:

1. Exposure to rural life: The students got a first-hand experience of rural life and the challenges faced by rural communities. They interacted with the villagers and learned about their daily lives and livelihoods.
2. Understanding of the role of ICT: The students learned about the potential of ICT in addressing the challenges faced by rural communities. They were introduced to various ICT tools and technologies that could be used for the development of rural areas.
3. Identification of opportunities: The visit helped the students identify the opportunities for development in rural areas, such as the promotion of rural tourism and the development of agro-based industries.
4. Sensitization to rural issues: The visit sensitized the students to the issues faced by rural communities, such as water scarcity, lack of access to modern technology, and limited job opportunities. This awareness can help the students develop a more holistic understanding of the challenges and opportunities in the field of ICT.

Conclusion:

The village visit to Raj Shamadhiyala was a valuable learning experience for the ICT students of Marwadi University. The visit exposed the students to the challenges and opportunities in rural areas, and helped them understand the potential of ICT in the development of rural communities. The visit also sensitized the students to the issues faced by rural communities, and can help them develop a more holistic understanding of the field of ICT.

Village Visit Report of ICT Branch Students

Objective: The objective of the village visit to Raj Shamadhiyala, Rajkot, Gujarat, for ICT degree students of Marwadi University was to provide students with a first-hand experience of rural life and to introduce them to the challenges and opportunities in rural India. The visit aimed to broaden the students' perspectives, help them understand the socio-economic issues faced by rural communities and inspire them to think creatively about how technology could be used to address these challenges.

Date: 25/06/2021

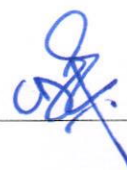

Students : 45

Faculty : Prof. Dharmenrasinh Zala

Brief about village visit:

- ✦ The students were welcomed by the villagers with great enthusiasm and warmth. They were taken on a tour of the village and were shown the various aspects of rural life. The students were amazed to see the simplicity and hard work of the villagers. They were also taken to the local school, where they interacted with the students and teachers. The students were also taken to the local market, where they got to see the various products and services available in the village.
- ✦ The students were also taken to the nearby farms, where they got to see the various crops being grown and the traditional methods of farming being used. They were also taken to the nearby lake, where they got to see the various aquatic life and the importance of water conservation.
- ✦ The students were also taken to the local temple, where they got to learn about the local culture and traditions. They were also taken to the nearby forest, where they got to see the various wildlife and the importance of preserving the environment.
- ✦ The students were also taken to the nearby health center, where they got to learn about the various health issues faced by the villagers and the importance of health care. The students were also taken to the nearby post office, where they got to learn about the various postal services available in the village.

Head of Department
Dept. of Information and Communication Technology
Marwadi University

- ✦ The visit was a great learning experience for the students. They got to understand the various challenges faced by the people living in the village and the importance of preserving the rural culture and traditions. The students also got to understand the importance of technology in rural areas and how it can be used to improve the lives of the people living in the village.
- ✦ Overall, the visit to Raj Shamadhiyala was a great learning experience for the students. They got to understand the various aspects of rural life and the importance of preserving the rural culture and traditions. The students also got to understand the importance of technology in rural areas and how it can be used to improve the lives of the people living in the village.

Outcome:

- ✦ The village visit was a significant learning experience for the students, who gained valuable insights into the rural way of life, the challenges faced by rural communities, and the potential for development in these areas. The visit helped students understand the rural context and the importance of considering local conditions and challenges while designing technology solutions.
- ✦ The students were able to interact with the villagers, understand their livelihoods, and the challenges faced by them. They also visited the primary school and interacted with the children and teachers, gaining an understanding of the educational infrastructure in rural areas.
- ✦ The visit helped students appreciate the importance of local language and dialects while designing technology solutions for rural areas. The students also gained a deeper understanding of the role that technology could play in addressing the challenges faced by rural communities, such as improving access to education, healthcare, and financial services.
- ✦ Overall, the village visit was an enriching experience for the students, who gained a new perspective on the issues facing rural India and the potential for ICT to make a positive impact in these areas. The visit helped to inspire students to think creatively about how they could use their skills and knowledge to address the challenges faced by rural communities, thereby contributing to the development of rural India.

Free physiotherapy camp

Organized by the Faculty of Physiotherapy, Marwadi University at Kagdadi

On the 6th of September 2021, the Faculty of Physiotherapy at Marwadi University organized a free physiotherapy camp in Kagdadi village. The aim of the event was to provide healthcare services to the villagers and to provide practical exposure to the students of the Faculty of Physiotherapy.

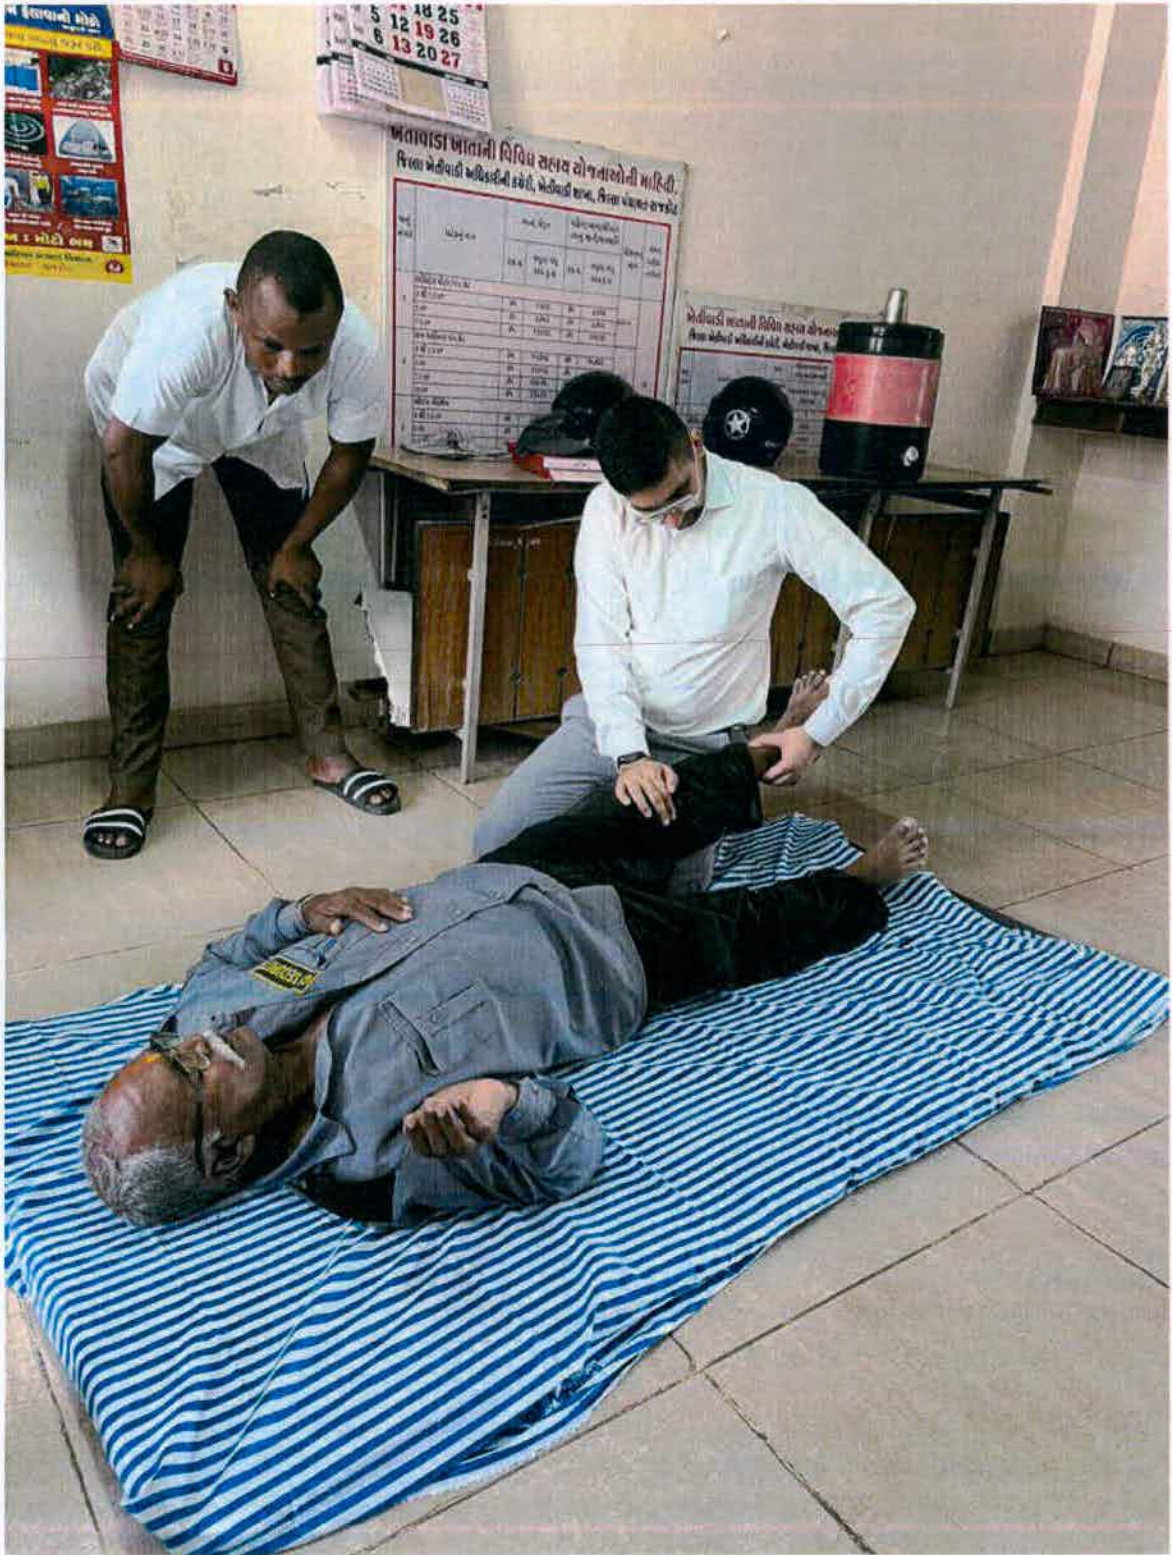

The camp was led by Dr. Rahul Chhatlani, an assistant professor in the Faculty of Physiotherapy, who was accompanied by Dr. Yagnik Dave, who is also an assistant professor in the same department. A total of 6 students from the 2nd year of the Faculty of Physiotherapy were present to assist the team in providing the required services.

The team provided free physiotherapy services, including consultation, diagnosis, and treatment for a wide range of conditions such as sports injuries, stroke, and neurological disorders. The team also provided advice on exercises that can help improve mobility and prevent further injuries.

The event was attended by a total of 70 patients who received healthcare services from the team. The event was well-received by the villagers, who expressed their gratitude towards the team for providing such valuable services. The event was a great opportunity for the students of the Faculty of Physiotherapy to gain practical experience in providing healthcare services in a rural setting.

In conclusion, the free physiotherapy camp at Kagdadi village was a successful event that provided valuable healthcare services to the villagers. The event also provided practical exposure to the students of the Faculty of Physiotherapy, who were able to gain valuable experience in providing healthcare services in a real-world setting. We remain committed to organizing such events in the future and contributing to the betterment of society.

Free physiotherapy camp

Organized by the Faculty of Physiotherapy, Marwadi University at Marketing Yard, Bedi

On the 20th of June 2021, the Faculty of Physiotherapy at Marwadi University organized a free physiotherapy camp in Marketing Yard village, with the aim of providing healthcare services to the villagers. The event was organized under the guidance of our principal, Dr. Jayesh Parmar, and was attended by 7 students from the 3rd year of the Faculty of Physiotherapy.

The camp was led by Dr. Kalyanee Jivrajani, an assistant professor in the Faculty of Physiotherapy, and was also attended by Dr. Rahul Chhatlani, who is also an assistant professor in the same department. The team provided free physiotherapy services, including consultation, diagnosis, and treatment for a wide range of conditions such as arthritis, back pain, and neck pain. The team also provided advice on posture correction and exercises that can help improve physical health.

The event was a great success, with 80 patients visiting the camp to receive healthcare services. The team worked tirelessly to provide healthcare services to all the patients, and the event received positive feedback from the villagers. The event was a great opportunity for the students of the Faculty of Physiotherapy to gain practical experience in providing healthcare services in a rural setting.

In conclusion, the free physiotherapy camp at Marketing Yard village was a successful event that provided valuable healthcare services to the villagers. The event also provided practical exposure to the students of the Faculty of Physiotherapy, who were able to gain valuable experience in providing healthcare services in a real-world setting. We look forward to organizing similar camps in the future to continue our commitment to community service.

Report on

Plastic Waste Collection Drive

Date: 18/03/2022

Day: Friday

Time: 9:00 AM to 2:00 PM

Village: Ratanpar

Objectives:

- To raise awareness among the villagers about the harmful effects of plastic waste on the environment and promote sustainable waste management practices.
- To collect and properly dispose of plastic waste from the village and surrounding areas, reducing the amount of plastic pollution in the environment.
- To encourage community participation and engagement in the collection drive, promoting a sense of responsibility and ownership for the local environment.
- To establish partnerships with local organizations and community leaders to ensure the long-term sustainability of the plastic waste collection initiative.
- To empower the students with the knowledge and skills to become advocates for sustainable waste management and environmental protection.

Description:

The Plastic Waste Collection Drive was an initiative organized by a group of students from engineering and technology with the objective of collecting and properly disposing of plastic waste in a nearby village. The event was a one-day drive that is open to all members of the local community who wish to participate.

The event began with an awareness-raising program that educated the villagers about the harmful effects of plastic waste on the environment and promoted sustainable waste management practices. The program was interactive and followed by a question-and-answer session, games, and prizes. The students have used posters, flyers, and other materials to promote the event in the village and surrounding areas.

After the awareness-raising program, the students led a plastic waste collection drive in the village and surrounding areas. The participants were divided into teams and provided with bags and gloves to collect the plastic waste. The students have provided guidance on how to

properly identify and segregate different types of plastic waste, ensuring that they are appropriately disposed of.

Students collecting the plastic waste in village

The collected plastic waste will be transported to a local recycling center for processing. The students have coordinated with the local authorities to ensure that the collected waste is properly disposed of and recycled. The students have also encouraged the villagers to adopt sustainable waste management practices and promote the use of eco-friendly alternatives to plastic.

Students collecting plastic waste in the village

Collected plastic waste in disposal bags

The event was concluded with a debriefing session, where the students have reflect on the impact of the plastic waste collection drive and discussed ways to promote sustainable waste management practices in the future. The students have also collected feedback from the participants to improve future initiatives. The Plastic Waste Collection Drive was a collaborative effort between the students, the local community, and the local authorities. The event aimed to raise awareness, promote sustainable waste management practices, and empower the students and the community to become advocates for environmental protection and sustainability.

Rural Health Centre visit**1. Objectives**

The objectives of this Rural Health Centre visit program include:

- To introduce university students to the healthcare system and infrastructure of the local municipality.
- To provide an opportunity for students to observe and learn about the daily operations of a Rural Health Centre, including patient care, administrative processes, and medical services.
- To provide students with practical experience in healthcare delivery and to promote their understanding of the challenges faced by healthcare professionals in providing quality care.
- To engage with healthcare providers and stakeholders to identify gaps in healthcare delivery and to work together to find solutions.
- To promote awareness among students about healthcare policies, procedures, and ethical issues.
- To provide students with an opportunity to interact with healthcare professionals and to learn from their experiences and expertise.
- To promote inter-professional collaboration and teamwork among students from different healthcare disciplines.
- To provide students with a forum for reflection and discussion about their observations and experiences, and to promote critical thinking and problem-solving skills.
- To promote social responsibility and civic engagement among university students, and to encourage them to use their skills and knowledge to contribute to the wellbeing of society.
- To promote the importance of healthcare infrastructure and services in building healthy and resilient communities.

2. Detail program Description

The students from first year Computer Science department has participated in the "Rural Health Centre Visit Program" which is conducted on 17-09-2021 at Rural Health Centre

have been engaged in the program. Total number of students divided into 5 batches with 10 faculties in each batch and visited the above-mentioned hospitals. College buses were used to commute from Marwadi University to villages. The drive was conducted between 2:30 pm to 5:30 pm for the said days. Students reached the villages at around 2:45 pm. The student roamed around the hospital and communicated with the doctors and discussed about diseases like cancer, diabetes, heart risk, etc. Also, students understood how to maintain hygiene to keep the diseases away.

They had a talk with the local doctor and get to know about important things and facilities provided by the hospital. The doctor told that they arrange one day free camp every month.

The main motto of the hospital was to lower down the death rate during pregnancy. The hospital gave first preference to pregnant ladies. A monthly of 20-25 takes place in the hospital that to be only normal delivery. They have Ambulance facility for emergency.

They only charge Rs. 2 for the case paper only and all the other services provided by the hospital are free of cost. For operations they send the patients to the nearest big hospitals such as Rajkot civil hospital, doshi, and walkheart Rajkot. The doctor told the students they go for various training to other hospitals for upgrading their knowledge. They have a record of No mother death during pregnancy. They have specific wards and laboratory for T.B and leprosy patients as well. The drive saw massive response and students have enjoyed with lot of learnings.

A Report on Visit to Specially Abled Children Home run by Mother Teresa Charitable Trust

Name of the Activity	Visit to Specially Abled Children Home run by Mother Teresa Charitable Trust
Date of the Activity	15/12/21
Venue of the Activity	Specially Abled Children Home run by Mother Teresa Charitable Trust, Rajkot
Brief Description of the Activity (Please mention the objective of the activity as well)	Children with learning disabilities show greater learning when techniques like task analysis, peer teaching, cooperative learning, learning corners and multisensory approach are used. Using an abacuse to facilitate their calculations, colour-coded textbooks (e.g. green equals start, red equals stop), Coloured chalk and marking pens can be used as an indicator, forming letters in wet fingerprint/paint/sand. Students of FMS spent some time there, clicked pictures with them, distributed some food kits, colour coded textbooks and medicines, had an amazing time by singing, dancing ,acting and playing with them and it seems that they looked blissful in our company.
Number of Participants	36

A Report on Tree Plantation Drive

Name of the Activity	Tree Plantation Drive
Date of the Activity	12 January 2022
Venue of the Activity	Gauridhad Village
Brief Description of the Activity	In order to sensitize the students towards environment, a tree plantation drive was organized by the Faculty of Management Studies, Marwadi University. The students were accompanied by one faculty member to the nearby Gauridhad village which MU has adopted. The students planted saplings at different places in the locality. The event was conducted from 9:30 AM to 2:30 PM and 21 students participated in the event.
Number of Participants	21

Name of the Event: Gauridad Plantation Drive.

Venue: Chamunda Mata Mandir, Gauridad.

Date: 17.04.2022

Time: 09:00 am

Members participated:

Mr. Nareshkumar Jadeja, Registrar, Marwadi University

Manish bhai Ajani, Sarpanch

Anilbhai Dangar, Talaati Mantri.

Col. Rajgopalan Suresh, Sr. VP, Admin

Dr. Rhishikesh Dave, Dean, Faculty of Law

Dr. Lalji Baldaniya, Principal, Pharmacy

Dr. Sonali Karnik, Assistant Professor, Faculty of Management

Dr. Ritesh Palkar, Associate Professor, Chemical Engineering

Ms. Aakanksha Parashar, Assistant Professor, Faculty of Law

Mr. Kishan Kumar Savaliya, Assistant Professor, Civil Engineering

Student volunteers and Faculties from MU and NSS cadets

Details of the Event:

Considering the multifold benefits of afforestation, a plantation drive in Chamunda Mata Mandir, Gauridad was conducted on 17/04/2022. It was attended by representatives of the MU Family.

The students left from the Campus in four buses along with their assigned Faculty Coordinators. On arriving at the site, they were provided with saplings and access to water and other tools for a successful plantation. They split up in various teams of 20 members each and divided the venue in different zones. After laboriously working for 3 hours the students achieved their target and planted over 200 saplings to give their small part in environment protection and restoration.

Faculty of Law, Marwadi University

This mega drive was aimed to mitigate environmental degradation and increase green cover in the village area. After the snack and tea break the students cleaned up the site and left for the campus with the feeling of contentment and happiness for being part of this amazing Campaign. On behalf of the CCEA Dr. Rhishikesh Dave, Dean FOL extended his gratitude for such enthusiastic participation and encouraged everyone to continue to be part of such noble cause in future too.

Report on

Village Visit for Awareness on Energy Saving

Date: 10/01/2022

Day: Monday

Time: 9:00 AM Onwards

Village Visited: Raj Samdhiyala

Participants: All students of Electrical Engineering are Invited

Objectives:

- To educate the rural villagers about the importance of energy conservation and its impact on the environment.
- To promote sustainable practices that reduce energy consumption and contribute to a greener environment.
- To demonstrate practical solutions and technologies for energy conservation such as using energy-efficient appliances, solar energy, and biogas.
- To encourage the villagers to adopt energy-saving practices in their daily lives and promote sustainable behavior change.
- To foster community participation and engagement in promoting energy conservation and sustainable practices.

Village Details:

Raj samdhiyala is located 22 away from Rajkot. The population of the village is approximately 1500 (732 males and 735 females). There are mainly 5 Communities- Patel (50%), Darbars (5%), Rajputs (20%) Scheduled castes (15%), and others (10%).

The Main Crops of the village are - Groundnut, Cotton, Wheat, Jowar, Millet, and Vegetables In this village all major facilities are available like School, PHC center, post office, street lights, cement concrete roads, solar lights, and Gram Panchayat ration shop, playground, etc. In the recent time, they also Facilitated- RO Water Plant, Wi-Fi Connectivity, Sound System, and CC TV Cameras. It has been awarded as Gujarat's first Nirmalgham.

Students interacting with the villagers and discussing the energy-saving techniques

Event Details:

During the village visit, the students organized various awareness programs and interactive sessions to educate the villagers about the benefits of energy-saving techniques such as using energy-efficient appliances, solar energy, and biogas. They also provided practical demonstrations of how to reduce energy consumption by adopting sustainable practices.

The report documents the positive impact of the awareness campaign, as many villagers expressed their willingness to adopt energy-saving practices in their daily lives. The students also emphasized the importance of community participation in promoting sustainable practices and urged the villagers to spread awareness among their peers.

Overall, the report highlights the role of electrical engineering students in promoting sustainable development and the importance of community participation in achieving energy conservation goals.

A Report on Visit to OLD AGE Home run by Sadbhavna Charitable Trust

Name of the Activity	Visit to OLD AGE Home run by Sadbhavna Charitable Trust
Date of the Activity	22/8/21
Venue of the Activity	OLD AGE Home run by Sadbhavna Charitable Trust, Rajkot
Brief Description of the Activity (Please mention the objective of the activity as well)	<p>The steady security in an old age home gives them protection from intruders and helps them live a safe and secure life. One of the factors that make old-age homes attractive to elders is the companionship. They looked happy, but still we can feel their pain of not being able to live with their dear ones.</p> <p>Supporting old age people by listening to them. Assist them in maintaining contact with family, friends, and the community , Learn how to make them happy ,Make a secure environment. To provide nutritious food to the inmates of the center. To provide them periodically outing as picnic. To provide shelter & clothing for the residents of the old age home.</p> <p>We spent some time there, clicked pictures with them, distributed some food kits and medicines, had an amazing time by singing, narrating stories from real life, and the people looked blissful in our company.</p>

Date: 09-12-2021

Time: 09:30 am to 02:00 pm

Organizing institute and Department: Department of Physics, Department of Chemistry

Name of Faculty coordinator: Dr. Prakash Kanjariya

Name of Student Coordinator: Varsada Gauravkumar Rameshbhai

Name of departmental faculties involved in the event: Dr. Yogesh Jani

Course and Semester of Participating students: M. Sc. Physics, M. Sc. Chemistry

No of Student Participated: 24

Activity: Visit to the old age home and Food distribution to the aged peoples living in the old age home

Objectives:

- The objective of the activity is to engage students in the social and extension activity.

Expected out comes:

- Students will understand the important of social work.
- By doing activity in group students will understand the advantage of completing tasks in group.
- To make students interact with the people remain involved in social activity.

Details of the activity:

Varsada Gaurav and other students had planned the activity well in advance. This group of students have contacted the care taker of the old age home Devendrasinh Zala and taken permission to arrange visit and lunch for the old peoples living at old age home. The lunch was sponsored by the students who have visited the old age home. Students reach to the old age home in the morning and interacted with the care taker. Devendrasinh has explained problems which old peoples are facing due to various reasons. He has explained how each member of society can contribute to fight against such problems. After the interaction session students talk with the old peoples living at the old age home and tried to give them family feeling. They have talked about their relatives and grandchildren. After that lunch session was arranged by

the students where all students have served food to the old peoples living there. All the peoples living in the home were happy to see the students of the age of their grand children and wish them for their bright future. After completion of the lunch session students came back to the university. All students were happy after visit.
