

About ExploitX Programme:

Under the ExploitX Vision Fund, in the spirit of enabling students with industry-relevant skills and with a mutual interest in cooperation, ExploitX Tech Labs and Marwadi University enter into this Memorandum of Understanding (MoU) to promote better tech learning and placements.

Courses offered by ExploitX Programme:

ExploitX Programme provide various types of programme are as under,

1. Artificial Intelligence
2. Software Development
3. Cyber Security
4. DevOps
5. Quantum / Edge Computing

Activities carried out under ExploitX Programme:

- **3000+** students of various branches like CE, IT, AI, ICT, FOCA i.e. are enrolled in this programme.
- **450+** students of 3rd semester A.Y. 2022-23 has enrolled and completed the course of Basics of Web Development through the Freshers App platform provided by the partner company.
- Information of **100** students from CE, IT, CE-AI, ICT, and MCA shared with Partner Company for the placement opportunities as a part of MoU.

Greetings from ExploitX Tech Labs,

My name is Prabhakar and I will be onboarding the students on the platform. I am glad to tell you that we have finished the setup for Marwadi University on the platform and the app. This includes:

1. Learning programs for students.
2. Faculty learning programs.
3. Live Classes/ Events for the students and professors.
4. Job Forums - Internships & Full-Time roles.
5. A community group to foster better student <> university relationships, where all the professors and students can stay in touch, get updates, share video/images and more!
6. Access to other members [students & professors] on the platform to encourage new ideas within the like-minded folks.

I request you to please share students details in an Excel sheet with the following details:

1. Student Names
2. Degree Program, for ex. B.Tech, M.Tech, BCA, MCA, etc.
3. Registration Number
4. Professor Names [Please share the names of all relevant asst. professors/ professors]
5. Job ID

I wish you all a very happy new year! Have a good day.

Thanks & Regards,

Prabhakar Gupta

Greetings Mr Hardik,

Hope you're doing well. We have onboarded all the students and faculty members shared by you. We are extremely sorry for the delay. **All members(students & faculties) will start getting invitations from the 15th of March onwards.**

Update: We are launching a new brand called "**Freshers**" under "**ExploitX Tech Labs**". Hence, going forward we'll be communicating as "**Freshers**" rather than "**ExploitX Tech Labs**".

Freshers

A NEW BRAND THAT RESONATES WITH GRAD STUDENTS.

Freshers is where college students unlock greatness. Students learn industry-relevant skills, connect with recruiters. Students level up their tech/business skills, connect with like-minded folks and get recruited.

Head of the Department
Computer Engineering
Marwadi University

Thanks for the co-operation you and your team has been showing.

Greetings Mr Hardik,

Hope you're doing well. You along with other faculty members (provided by you) must have received 2 emails from **(Freshers & Freshers HQ)**.

One email from Freshers contains a link with which you can create a new password and access the platform.

All the students and the faculty members will also be added to your university's very own social media group and a common group.

I request you to spread the word and start using the platform. We have designed posters for you to share across with your students and faculty members. PFA

Note: We found some e-mail addresses of faculty members that didn't get our invitation. I'm attaching the CSV file of those faculty members.

Dear Marwadi University Officials,

I hope you are doing well. I am writing to let you know that access to all the learning programs and an exclusive social media platform for Marwadi University students and faculty members has been given.

Further, I would love to set up an online meeting to discuss the structured preparation of these students for tech interviews and placements. I would also like to discuss various features that we are adding that will benefit all the students of Marwadi University.

Kindly inform me of your availability. You will receive the details of the meeting after confirmation.

Thanks & Regards,

"hardik.doshi@marwadieducation.edu.in" <hardik.doshi@marwadieducation.edu.in>

Greetings, I'm reaching out to you again as I didn't get any response from you to my previous mail.

The MoU we signed is fruitful only if we work in synergy. To make this more productive a complete pathway needs to be laid out.

Kindly inform me of your availability for an online meeting. You will receive the details of the meeting after confirmation.

Welcome Faculty Members!

We recently partnered with **ExploitX Tech Labs(Freshers)** to provide world-class programs and to guide students in building a better career.

Please follow the below steps to take advantage of the platform:

1. Download the app.
2. Enrol in various project-based programs. Many more courses are being added!
3. Engage with your students in the **Common Room**.

All **faculty members** are requested to **download the app** and **update their profile names and profile pictures** so that it's easier for the students to connect with you.

We'll soon start collecting information for internships and job requirements from all the students who have an updated profile. Hence, encourage your students to download the app and update their profiles. Ignore if you already have.
