FACULTY OF COMPUTER APPLICATIONS

Office Circular

Date: 8/3/2022

Subject: Soft Skill Seminar for BCA Students

This is to inform all the faculty members and students of our institution that a seminar on Soft Skills is being organized. The objective of the seminar is to enhance the communication and interpersonal skills of the students and improve their overall personality. The seminar will be held on 15/03/22 from 10:00 AM at Auditorium.

All students are required to attend the seminar. Faculty members are also requested to attend the seminar and encourage their students to participate actively in the seminar.

The seminar will cover various aspects of soft skills, including:

1. Effective communication skills

2. Interpersonal skills

3. Time management skills

4. Leadership skills

The organizing committee for the seminar will be headed by Prof. Nootan Padia and members will be responsible for the smooth conduct of the seminar.

Dr. R Sridaran

Dean, FOCA

Marwadi University,

Rajkot.

Subject: Seminar on Emotional Intelligence for BCA Students

This is to inform all the faculty members and students of our institution that a seminar on Soft Skills is being organized. The seminar aims to provide the students with an opportunity to understand and enhance their emotional intelligence, which is an essential aspect of personal and professional development. The seminar will be held on 26/11/21 from 9:30 AM at Auditorium.

All students are required to attend the seminar. Faculty members are also requested to attend the seminar and encourage their students to participate actively in the seminar.

The seminar will cover various aspects of emotional intelligence, including:

1. Self-awareness
2. Self-regulation
3. Motivation
4. Empathy
5. Social skills

The organizing committee for the seminar will be headed by Prof. Maulik Parekh and members will be responsible for the smooth conduct of the seminar.

Subject: Yoga and Pranayam for BCA Students

This is to inform all the BCA students of our institution that a Yoga and Pranayam program is being organized. The objective of the program is to help the students lead a healthy and stress-free life by practicing yoga and pranayam regularly.

The program will be held on 24/02/22 from 7.00 AM at Sports Building. All BCA students are required to attend the program.

The program will cover various yoga and pranayam techniques, including:

1. Surya Namaskar
2. Asanas for physical health
3. Breathing exercises
4. Meditation

The program will be conducted by trained and certified yoga instructors.

The organizing committee for the seminar will be headed by Dr. Ashwin Dobariya and members will be responsible for the smooth conduct of the seminar.

Event	Seminar on Current trends and technologies Awareness
Speaker	Prof. Maulik Parekh
Topic	Block Chain in Human Resource
Month	NOV, 2021
Welcome speech by	Dr. Sunil Bajeja
Brief	Seminar on Block Chain in Human Resource was held at Marwadi University by FoCA department. The event was started with lightening of lamp and prayer by Mr. Malav Maru and Students of FoCA. Welcome address was given by Dr. Sunil Bajeja.

Total 279 students were attended the seminar. At final Prof. Nootan Padia wound up the session by thanking all.

The seminar was conducted by Prof. Maulik Parekh with the special help of student volunteers and all the faculties of FCA.

We are very much thankful to our Dean, Dr. R Sridaran for the continuous suggestions and help. |
| Vote of thanks by | Prof. Nootan Padia |

OFFICE ORDER

Date: 14/08/2021

Subject: The Mechanical Engineering Department has to conduct the Event for the academic year 2021-2022.

Dear Faculties,

We are pleased to announce that Mechanical Engineering department will be conducting a series of events and sessions for the academic year 2021-2022. The purpose of these events is to enhance the personal and professional development of our students and provide them with opportunities to learn new skills, techniques, develop both personally and professionally.

The following Event are be conducted by the Mechanical Engineering

Sl.No	Event to be Conducted
1	One day expert lecture in improvement of soft skills for mechanical engineers
2	One day seminar on improvement of language and communication skills for mechanical engineers
3	One day workshop on life skills for mechanical engineers
4	Expert talk on awareness of trends in technology (3D Modelling)
5	Expert talk on awareness of trends in technology(Solar concentrating technology and its future potential in India)

The Mechanical Engineering department is directed to ensure the successful conduct of these events and ensure maximum participation of Students.

HOD ME

Head of the Department
Mechanical Engineering
Marwadi University

CIRCULAR

Date :14/09/2021

Department of Mechanical Engineering is organizing a session on" One day expert lecture on improvement in soft skills for mechanical engineers" for mechanical engineering students.

Kindly circulate it among students and ensure maximum participation.

Date : 21st September 2021

Time : 10:00am – 04:00pm

Venue : MA010

Resource Person : Prof. Nurali Chamadiya

HOD, ME

Head of the Department
Mechanical Engineering
Marwadi University

Notice

Date :18/09/2021

This is to inform you all that Mechanical Engineering department is going to organize the session on "One day expert lecture on improvement in soft skills for mechanical engineers".

Interested students from Mechanical engineering department are requested to attend this event. Event details are as follow:

Date : 21st September 2021

Time : 10:00am – 04:00pm

Venue : MA010

Resource Person : Prof. Nurali Chamadiya

Kindly report to given venue before 15 minutes of commencement of the event.

Marwadi University

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT REPORT
SOFT SKILL (2021-2022)

One day expert lecture on improvement in soft skills for Mechanical Engineers

Resource person: Prof. Nurali Chamadiya

Objective: To impart and improve the soft skills for the mechanical students as it is helpful for them in their future to grow in there carrier.

Location: MA010
Date: 21 September 2021
Time: 10 am to 4 pm

Description: Soft skills are very much important for mechanical engineers so as to work efficiently in various industries. Students with good soft skills will be helpful for them in gaining momentum in there carrier in future.

Outcome: The students find this seminar useful for improvement in their soft skills required in industries.

Number of students attended workshop:44

OFFICE ORDER

Date: 14/08/2021

Subject: The Mechanical Engineering Department has to conduct the Event for the academic year 2021-2022.

Dear Faculties,

We are pleased to announce that Mechanical Engineering department will be conducting a series of events and sessions for the academic year 2021-2022. The purpose of these events is to enhance the personal and professional development of our students and provide them with opportunities to learn new skills, techniques, develop both personally and professionally.

The following Event are be conducted by the Mechanical Engineering

Sl.No	Event to be Conducted
1	One day expert lecture in improvement of soft skills for mechanical engineers
2	One day seminar on improvement of language and communication skills for mechanical engineers
3	One day workshop on life skills for mechanical engineers
4	Expert talk on awareness of trends in technology (3D Modelling)
5	Expert talk on awareness of trends in technology(Solar concentrating technology and its future potential in India)

The Mechanical Engineering department is directed to ensure the successful conduct of these events and ensure maximum participation of Students.

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT REPORT
Communication and Language skills (2021-22)

One day seminar on improvement of language and communication skills for Mechanical engineers.

Resource Person: Prof Bhavesh Kamalpara

Objective: To improve the communication and language skills for the mechanical students this will be helpful for them in their future.

Location: MA010
Date: 17 September 2021
Time: 10 am to 4 pm

Description: Communication skills are very much important for mechanical engineers so as to work efficiently in various industries. Students with good soft skills will be helpful for them in gaining momentum in there carrier in future. Also learning the correct usage of language is also important with respect to the working conditions of industries.

Outcome: The seminar helps the students in terms of improving language and communication skills.

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT REPORT
(2021-2022)

One day workshop on Life skills for Mechanical Engineers

Resource person: Dr.Yogesh Jani

Objective: The main purpose of organizing this workshop is to make the mechanical engineers aware about the various life skills.

Location: Mechanical Workshop
Date: 04 October 2021
Time: 06 am to 10 am

Description: Life skills also in very important apart from the knowledge of domain for the mechanical engineers. The main purpose of this workshop is how the mechanical engineers gets aware about the different life skills useful for them in future.

Outcome: The students learnt good things needed related to life skills

EXPERT TALK ON AWARENESS OF TRENDS IN TECHNOLOGY (3D MODELLING)

Date: 5 August 2021 Time: 10:30 AMTo Time: 12: 30 PM
Coordinator: Dr Parag Rajpara
Venue: Online
Expert Name: - Prof. Prashant Ujeniya : - Marwadi University, Rajkot

Basic Information: -

Mr. Prashant Ujeniya is working as Assistant Professor in Department of Mechanical Engineering, Marwadi University, Rajkot. He has more than 10 years of experience in teaching and 1 year of experience from industry. His area of interest is Computer aided Design & Manufacturing, Machine Design, Composite Material. He is pursuing his PhD from Marwadi University, Rajkot.

Outcome of the talk:

Students came to know about fusion 360 and printing technology. also, how to use different modules accurately. Also, they were exposed to MATLAB software to generate part geometry and tool paths Moreover, it was very informative and motivating session for our students.

Subject: The Mechanical Engineering Department has to conduct the Event for the academic year 2021-2022.

Dear Faculties,

We are pleased to announce that Mechanical Engineering department will be conducting a series of events and sessions for the academic year 2021-2022. The purpose of these events is to enhance the personal and professional development of our students and provide them with opportunities to learn new skills, techniques, develop both personally and professionally.

The following Event are be conducted by the Mechanical Engineering

Sl.No	Event to be Conducted
1	One day expert lecture in improvement of soft skills for mechanical engineers
2	One day seminar on improvement of language and communication skills for mechanical engineers
3	One day workshop on life skills for mechanical engineers
4	Expert talk on awareness of trends in technology (3D Modelling)
5	Expert talk on awareness of trends in technology(Solar concentrating technology and its future potential in India)

The Mechanical Engineering department is directed to ensure the successful conduct of these events and ensure maximum participation of Students.

HOD ME

Head of the Department
Mechanical Engineering
Marwadi University

CIRCULAR

Date :24/02/2022

Department of Mechanical Engineering is organizing a session on" Expert talk on awareness of trends in technology(Solar concentrating technology and its future potential in India)" for mechanical engineering students..

Kindly circulate it among students and ensure maximum participation.

Date : 30th March 2022

Time : 10:30am – 12:30pm

Venue : Online

Resource Person : Mr Deepak Ghadiya

HOD, ME

Head of the Department
Mechanical Engineering
Marwadi University

Notice

Date :27/02/2022

This is to inform you all that Mechanical Engineering department is going to organize the session on "Expert talk on awareness of trends in technology (Solar concentrating technology and its future potential in India" for mechanical engineering students.

Interested students from Mechanical engineering department are requested to attend this event. Event details are as follow:

Date : 30th March 2022

Time : 10:30am – 12:30pm

Venue : Online

Resource Person : Mr Deepak Ghadiya

Kindly report to given venue before 15 minutes of commencement of the event.

EXPERT TALK ON AWARENESS OF TRENDS IN TECHNOLOGY
(SOLAR CONCENTRATING TECHNOLOGY AND ITS FUTURE POTENTIAL IN INDIA)

Date: 30 March 2022 Time: 10:30 AMTo Time: 12: 30 PM
Coordinator: Dr Parag Rajpara
Venue: Online
Expert Name: - Mr Deepak Gadhia: - Chairman Sunrise CSP Pvt Ltd.

Basic Information: -

Mr. Deepak Gadhia is Social and serial Entrepreneur. He is a chairman at Sunrise CSP India Private Ltd. He has more than 30 years of experience in the field of solar energy. He has completed his B.Sc. from Mumbai University andpost graduation in industrial manufacturing andmanagement from mumbai

Outcome of the talk:

Students learnt about different methods of evaluation of solar concentrating technology. Also they got the knowledge of potential of solar concentrating technology and its future inIndia. Moreover, it was very informative and motivating session for our students.

Subject : Regarding planning of events by Department of Computer Engineering for academic year 2021-2022.

Dear Faculties,

We are pleased to announce that department of Computer Engineering will be organizing a series of events and sessions for the academic year 2021-2022. The purpose of these events is to enhance the personal and professional development of our students and provide them with opportunities to learn new skills, techniques, develop both personally and professionally.

The following events will be conducted by the department ofComputer Engineering

Sr.	Event
1	Session on Emotional Intelligence
2	English Day Celebration
3	Yoga Day Celebration
4	Introduction to Database through Oracle
5	Workshop on Game Development using Unity

The Department of Computer Engineering is directed to maximum participation of students and making a successful event.

Yours Sincerely,

HOD - CE

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT FOR SOFT SKILLS - "Session on Emotional Intelligence"

Activity Type : Session on Emotional Intelligence

Date of Event : March 22, 2022

Resource Person: Prof. Priyanka Kesri

Class: 6th Sem Students

Time : 9:00 – 11:30

No. Of Students participated : 40

Location: MB208

A skill development talk's main goal is to arm attendees with the information, know-how, and resources they need to advance their abilities in a specific field. The purpose of this discussion is to provide attendees with the knowledge, abilities, and confidence they need to succeed in their chosen careers.

Emotional intelligence is the ability to identify and manage one's own emotions and the emotions of others. Workshops on emotional intelligence can help engineers develop skills in empathy, self-awareness, and relationship management, which can be valuable in the workplace.

The workshop covered the following topics:

- Understanding Emotional Intelligence: The participants were introduced to the concept of emotional intelligence and its importance in the workplace. The trainer highlighted the different components of emotional intelligence, including self-awareness, self-regulation, motivation, empathy, and social skills.

- Self-Awareness: The participants learned how to develop self-awareness, including how to recognize their emotions, strengths, and weaknesses. The trainer highlighted the importance of understanding one's emotions and how they affect one's behavior.

- Self-Regulation: The participants were taught how to regulate their emotions effectively, including techniques such as deep breathing, mindfulness, and meditation. The trainer

highlighted the importance of managing emotions effectively, especially in stressful situations.

- Empathy: The participants learned how to develop empathy, including how to recognize and understand other people's emotions. The trainer highlighted the importance of empathy in building strong relationships and collaborating effectively with others.

- Social Skills: The participants were taught how to develop social skills, including techniques such as active listening, effective communication, and conflict resolution. The trainer highlighted the importance of social skills in building successful teams and leading effectively.

Conclusion

Overall, the emotional intelligence talk was a success in equipping computer engineers with essential emotional intelligence skills that will enable them to understand and manage their emotions effectively, build strong relationships, collaborate effectively with others, and lead successfully. The participants learned how to develop self-awareness, self-regulation, empathy, and social skills, using various emotional intelligence techniques and tools.

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT FOR LANGUAGE AND COMMUNICATION SKILLS - "ENGLISH DAY CELEBRATION"

English Day celebration is an event celebrated by university to promote the use of the English language and celebrate its rich cultural heritage. In this report, I will provide a detailed account of the English Day celebration that took place in Department of Computer Engineering, Marwadi university on 3rd May 2022.

The session started with a speech about the importance of English in the world today. One female student emphasized how English has become the global language of communication and how it plays a crucial role in connecting people from different parts of the world.

Firstly, student needs to tell Faculty the topic one day before. If the topic is good then few students were told to make the powerpoint and explain the topic. Then one by one student came to the stage and explain the block diagram, advantages and disadvantages of the topic.

So, the objective of performing this activity is: To provide a non-threatening environment for learning, to develop presentation skill, share ideas, increase the knowledge of each and every student so that they can improve their technical dictionary and confidence.

Activity Type: Technical Presentation

Date of Event: 03/05/2022
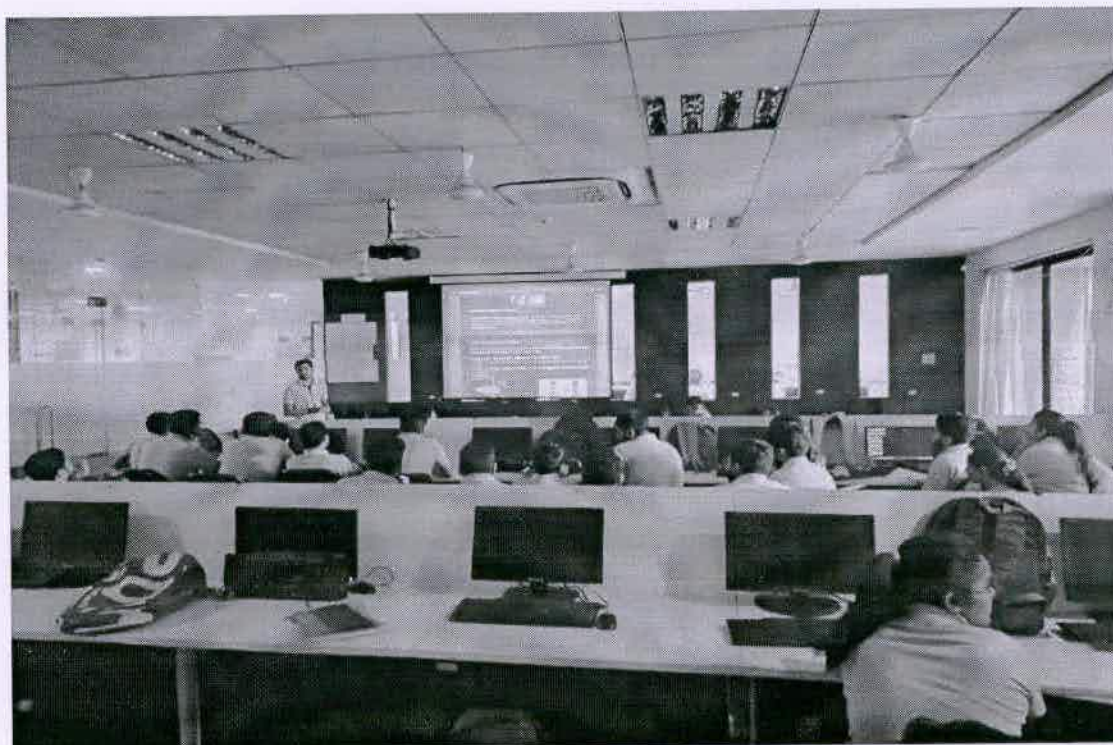

Venue: Lab 8 (MU)

Faculty In charge: Prof. Santushti Betgeri

Class: 6th Sem

Time: 7:30 – 9:30 AM

No. of Students participated: 67

Few Glimpse of the Event:

Subject : Regarding planning of events by Department of Computer Engineering for academic year 2021-2022.

Dear Faculties,

We are pleased to announce that department of Computer Engineering will be organizing a series of events and sessions for the academic year 2021-2022. The purpose of these events is to enhance the personal and professional development of our students and provide them with opportunities to learn new skills, techniques, develop both personally and professionally.

The following events will be conducted by the department ofComputer Engineering

Sr.	Event
1	Session on Emotional Intelligence
2	English Day Celebration
3	Yoga Day Celebration
4	Introduction to Database through Oracle
5	Workshop on Game Development using Unity

The Department of Computer Engineering is directed to maximum participation of students and making a successful event.

Yours Sincerely,

HOD - CE

Notice

This is to inform you all that Department of Computer Engineering has organized "Yoga Day Celebration". All students from Department of Computer Engineering are requested to attend this event as per below schedule.

Date : 21st June 2021
Time : 07:30 – 9:00
Venue : Main Ground
Conducted by : Prof. Kishan Makadiya

Kindly report to the venue before 15 minutes of commencement of the event.

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT FOR LIFE SKILLS - "YOGA DAY CELEBRATION"

Date: 21st June 2021
Venue: Main Ground
Timings : 7:30 – 09:00
Conducted By : Prof.Kishan Makadiya

The International Day of Yoga is celebrated annually on June 21st. The day was declared by the United Nations General Assembly in 2014, following a proposal by the Prime Minister of India, Narendra Modi. The day is celebrated to raise awareness about the benefits of practicing yoga and to encourage people to adopt a healthy lifestyle. Yoga is a technique that is effective for calming the body and mind and enhancing one's immune system.

Several eminent professors, directors, and students from various University schools enthusiastically participated in it. More than 80 students performed various asanas and breathing exercises. All the students participated in warm-up activities and did both sitting and standing asanas while simultaneously hearing explanations of their significance. The value of yoga in one's life and how to maintain body-mind harmony were taught to all faculties, staff, and kids. The students committed to include yoga into their daily lives as they talked about its significance and demonstrated various poses.

Overall, the International Day of Yoga is a great opportunity for people around the world to come together and celebrate the benefits of this ancient practice.

Circular

The Department of Computer Engineering is organizing a technical course "Introduction to database through Oracle Academy – Database Design and Programming with SQL" as a part of awareness of trends in technology. This course is organized for 2nd year of computer engineering students for entire semester.

Kindly circulate it among respective students and ensure maximum participation for the above said course.

After completion of course, the final project and exam review is mandatory to issue a certificate.

Notice

This is to inform you all that Department of Computer Engineering has organized technical course "Introduction to database through Oracle Academy – Database Design and Programming with SQL" throughout the semester for 2nd Year of CE Students.

Registered Students are hereby informed to complete all the topics mentioned in the course on regular basis. In addition to this, after completion of course, the final project and exam review is mandatory to issue a certificate.

HOD - CE

Head of the Department
Computer Engineering

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT FOR AWARENESS OF TRENDS IN TECHNOLOGY - "Introduction To Database Through Oracle Academy - Database Design and Programming with SQL"

In this course, students examine challenging business situations and build data models, which are conceptual representations of an organization's data. By building an actual database with SQL, participants put their database design into practice. The fundamentals of SQL syntax and the guidelines for writing legitimate SQL statements are covered. The final project for this course requires students to develop, build, and present a database solution for a company or organisation.

Lesson-by-Lesson Topics

Database Design

Introduction

- Introduction to the Oracle Academy
- Data vs. Information
- History of the Database
- Major Transformations in Computing

Entities and Attributes

- Conceptual and Physical Models
- Entities, Instances, Attributes, and Identifiers
- Entity Relationship Modeling and ERDs

Relationship Basics

- Identifying Relationships
- ER Diagramming Conventions
- Speaking ERDish & Drawing Relationships
- Matrix Diagrams

Super/Sub Types and Business Rules

- Supertypes and Subtypes
- Documenting Business Rules

Relationship Fundamentals

- Relationship Transferability
- Relationship Types
- Resolving Many-to-Many Relationships
- Understanding CRUD Requirements

UIDs and Normalization

- Artificial, Composite, and Secondary UIDs
- Normalization and First Normal Form
- Second Normal Form
- Third Normal Form

Arcs, Hierarchies, and Recursive Modeling

- Arcs
- Hierarchies and Recursive Relationships

Changes and Historical Modeling

- Modeling Historical Data
- Modeling Change: Time
- Modeling Change: Price
- Drawing Conventions for Readability

Mapping

- Introduction to Relational Database Concepts
- Basic Mapping: The Transformation Process
- Relationship Mapping
- Subtype Mapping

Creating Database Projects

- System Development Life Cycle
- Project Overview and Getting Started
- Presentation Project Management
- Final Presentation Components

Presenting Database Projects

- Creating Tables for the Final Presentation
- Preparing Written Documentation
- Preparing Visual Materials
- Final Presentations

Database Programming with SQL

Introduction

- Oracle Application Express
- Relational Database Technology
- Anatomy of a SQL Statement

SELECT and WHERE

- Columns, Characters, and Rows
- Limit Rows Selected
- Comparison Operators

WHERE, ORDER BY, and Intro to Functions

- Logical Comparisons and Precedence Rules
- Sorting Rows
- Introduction to Functions

Single Row Functions Part I

- Case and Character Manipulation
- Number Functions
- Date Functions

Single Row Functions Part II

- Conversion Functions
- NULL Functions
- Conditional Expressions

JOINs

- Cross Joins and Natural Joins
- Join Clauses
- Inner versus Outer Joins
- Self-Joins and Hierarchical Queries
- Oracle Equijoin and Cartesian Product
- Oracle Nonequijoins and Outer Joins

Group Functions

- Group Functions
- Oracle Nonequijoins and Outer Joins
- Using Group By and Having Clauses
- Using Rollup and Cube Operations, and Grouping Sets
- Using Set Operators

Subqueries

- Fundamentals of Subqueries
- Single-Row Subqueries
- Multiple-Row Subqueries
- Correlated Subqueries

Ensuring Quality Queries Part I

- Ensuring Quality Query Results

DML

- INSERT Statements
- Updating Column Values and Deleting Rows
- DEFAULT Values, MERGE, and Multi-Table Inserts

DDL

- Creating Tables
- Using Data Types
- Modifying a Table

Constraints

- Intro to Constraints; NOT NULL and UNIQUE Constraints
- PRIMARY KEY, FOREIGN KEY, and CHECK Constraints
- Managing Constraints

Views

- Creating Views
- DML Operations and Views
- Managing Views

Sequences and Synonyms

- Working With Sequences
- Indexes and Synonyms

Privileges and Regular Expressions

- Controlling User Access
- Creating and Revoking Object Privileges
- Regular Expressions

TCL

- Database Transactions

Final Project and Exam Review

- Testing
- Final Project Database Creation
- Final Exam Review

Ensuring Quality Queries Part II

- Ensuring Quality Query Results - Advanced Techniques

236 students have successfully Completed Database Design and Programming with SQL course offered by Oracle Academy on 17 November 2021

OFFICE ORDER

Date: 04/06/2021

Subject : Regarding planning of events by Department of Computer Engineering for academic year 2021-2022.

Dear Faculties,

We are pleased to announce that department of Computer Engineering will be organizing a series of events and sessions for the academic year 2021-2022. The purpose of these events is to enhance the personal and professional development of our students and provide them with opportunities to learn new skills, techniques, develop both personally and professionally.

The following events will be conducted by the department ofComputer Engineering

Sr.	Event
1	Session on Emotional Intelligence
2	English Day Celebration
3	Yoga Day Celebration
4	Introduction to Database through Oracle
5	Workshop on Game Development using Unity

The Department of Computer Engineering is directed to maximum participation of students and making a successful event.

Yours Sincerely,

HOD - CE

Head of the Department
Computer Engineering
Marwadi University

Date: 15/02/2022

Circular

The Department of Computer Engineering is organizing a workshop on "Game development using Unity" as a part of Capacity Development and Skill Enhancement for Awareness of trends in technology on 12/03/2022. This event is organized for all Computer Engineering students.

Kindly circulate it among students and ensure maximum participation.

Date : 12th March 2022
Time : 09:00 – 04:00
Venue : MA203
Resource Person : Prof. Hardik Doshi, Prof. Munindra Lunagaria

HOD - CE

Head of the Department
Computer Engineering
Marwadi University

Copy to,

1. Dean
2. Class Coordinator

Date : 22/02/2022

Notice

This is to inform you all that Department of Computer Engineering has organized the workshop on "Game Development using Unity". The registered students from Department of Computer Engineering are requested to attend this event as per below schedule.

Date : 12th march 2022
Time : 09:00 – 04:00
Venue : Lab MA203
Resource Person : Prof. Hardik Doshi, Prof. Munindra Lunagaria

Kindly report to the venue before 30 minutes of commencement of the workshop.

HOD - CE

Head of the Department
Computer Engineering
Marwadi University

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT FOR AWARENESS OF TRENDS IN TECHNOLOGY - "A WORKSHOP ON GAME DEVELOPMENT USING UNITY"

The workshop was organized by Marwadi University on the topic "Game Development using Unity". The session was held from 12th March, 2022. The workshop was successfully managed and coordinated by Prof. Hardik Doshi and Prof. Munindra Lunagaria. This workshop was organized for the students of All Semester CE.

Agenda of Workshop

- Downloading unity and installing unity hub
- Introduction to unity and how to start making character and terrain
- Animation and scripting
- Level making and scenes
- How to build the final game

Purpose of Workshop

The purpose of this session was to bring together students from various classes of Marwadi and introduce them to the basics of Game Development using Unity. The session helped students to know how to download and install unity hub and develop various characters using Unity hub. Moreover, the students will be able to implement full Animation also, on their own after the completion of the workshop. With a practical oriented approach, the students were able to understand each concept quite clearly and very easily.

Brief Profile of the Expert

The workshop was delivered by Mr. MAJD NAIEM, Mr. EBAA NOFAL Students from the Computer Engineering Department. His skills on Game Development in unity is remarkable. He is a quick learner with a good potential of engaging the students through his communication skills and teaching technique. He has been delivering his expertise in his lecture or lab sessions.

Pre session meetings

The sessions were to be conducted for the All Semester CE & IT students. We had to use a hands -on session in this workshop and deliver the fruitful content to a huge mass. With the help and guidance from Prof. Hardik Doshi, Prof. Damodharan P. and Dr. Madhu content of the workshop was designed by Mr. MAJD NAIEM, Mr. EBAA NOFAL. A proper planning was also made to deliver the content in an efficient and effective manner.

The Workshop Plan

The complete workshop was divided into 6 Parts with planning as follows:

- 9am to 10 am: We will learn how to download unity and install unity hub with all of its assets with basic unity mechanics.
- 10am to 10:50 am: building terrain, sorting layers and creating the player.
- 10:50 am to 11am: Break.
- 11am to 12pm: player movement and animations.
- 12pm to 1pm: Grounding check, collect and count items.
- 1pm to 2pm: Player death logic and moving platforms.
- 2pm to 3pm: Rotating saws and sound effects.
- 3pm to 4pm: Start and game over menus.

Workshop Accomplishes

Date	Number of Accomplishes
12-03-2022	49

Overall outcome

At the end of the workshop, the students were well equipped with the knowledge of developing mario games, by using Unity. The students were well satisfied with the content that was delivered in 1 day. The main objective is to train the students on Game development in Unity Hub.
