on
NISE (Nurturing Innovation startup Ecosystem)

1	Title	NISE (Nurturing Innovation startup Ecosystem) Course
2	Objective of an Event	Nurturing Innovation Startup Ecosystem (NISE) flagship programme is to create a strong entrepreneurial & startup ecosystem in the state
3	About an Event	The program has been designed by domain experts to cover the core concepts of incubation based on other successful programs and best incubation practices around the world. This program is structured in 20+ sessions, which can be conducted over weeks in a crash format, in a more relaxed manner by applying various learning processes and tools that ensure maximum exposure to leverage their skills in managing an incubator.
