Dear Shri Ketanbhai,

First of all let me congratulate you and your team on achieving the status of “Marwadi University” announced by the Education Department, Govt. of Gujarat.

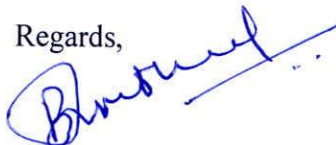

The Institute’s Mission and Commitment in providing best and quality education in the region is highly commendable. This objective has helped and supported many aspiring students to get their higher education within their surrounding areas while remaining with family members. This effort will also help us to have our talents develop our region and the state.

Towards this Nobel cause and to be a part of societal development, if given an opportunity I would like to support and share my efforts towards development and progress of Marwadi University. I am willing to contribute financially for Rs. 35,00,000 (thirty five lakhs) towards development of Classrooms, Laboratories or Hostel Facilities as the committee of Marwadi University may deem fit for.

Further to discuss on this matter and development plans, you may share your convenient date and time. Will be happy to meet personally at your office. Looking forward to hear from you soon.
