Minutes of the Meeting

Minutes of the Meeting of Conduct Monitoring Committee Meeting held on 11.11.2022 at
3:00PM – MC301 (Main building)

Academic Year 2020-21

Agenda Items:

- Review of the Previous Meeting:
- Covid 19 guidelines issued by the UGC –
(https://www.ugc.ac.in/pdfnews/4613471_Guidelines.pdf)

All members were present during the meetings.

Discussion:

Shri Naresh Jadeja, Registrar welcomed the members present during the online meeting. He addressed the previous minutes of the meeting and ask for the Action taken report for the meeting.

Item no.1 - Review of the Previous Meeting:

Reviewed the previous minutes of the meeting and approved.

Item no.2 - Covid 19 Guidelines

As per the university guidelines dated 5th Nov 2020 for RE-OPENING THE UNIVERSITIES AND COLLEGES POST LOCKDOWN DUE TO COVID-19 PANDEMIC, the university has decided to take all necessary measures for the protection against Coronavirus.

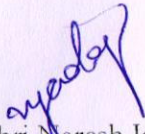

Generic Preventive Measures/COVID-19 Appropriate Behavior

The following public health measures are to be followed to reduce the risk of COVID-19 by all (faculty members, employees, students and visitors) in these places at all times:

- Physical distancing of at least 6 feet to be followed as far as feasible.
- Use of face covers/masks to be made mandatory.
- Frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be done wherever feasible.
- Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing of used tissues properly.
- Self-monitoring of health by all and reporting any illness at the earliest. vi. Spitting shall be strictly prohibited. vii. Installation & use of Aarogya Setu App shall be advised wherever feasible.

- vi. Proper signages, symbols, posters etc. should be prominently displayed at appropriate places to remind the students, faculty and staff of maintaining physical distance. The details of COVID-19 cell established by the institution are prominently displayed containing the emergency number, helpline number, email id and contact details of persons to be contacted in case of any emergency in the institution.
- vii. Ensure the norms of physical distancing, sanitization and hygienic conditions for use of common facilities, viz., Auditorium, Conference/ Seminar halls, Sports, Gymnasium, Canteen, Parking Area etc.
- viii. The faculty, student, staff should be screened regularly to protect and avoid infecting one another.

All preventive measures, preparedness and necessary support systems to deal with the COVID - 19 positive cases should be monitored and reported to local authorities on a day to day basis.

Shri Naresh Jadeja
Registrar
Marwadi University

Minutes of the Meeting

Minutes of the Meeting of Conduct Monitoring Committee Meeting held on 5.10.2019 at
3:00PM – MC301 (Main building)

Academic Year 2019-20

Agenda Items:

- Review of the Previous Meeting:
- Approval of conducting an Open House for the Staff of Marwadi University
- Code of conduct for International Students
- No Tobacco policy

All members were present during the meetings.

Discussion:

Shri Naresh Jadeja, Registrar welcomed the members present at the meeting. He addressed the previous minutes of the meeting and ask for the Action taken report for the meeting.

Item no.1 - Review of the Previous Meeting:

Reviewed the previous minutes of the meeting and approved.

Item no.2 - Approval of conducting an Open House for the Staff of Marwadi University

The committee decided to conduct an Open House for all staff members (teaching and non-teaching) of Marwadi University in the month of Nov 2019. The instructions were given to the HR Head for further proceeding.

Item no.3 - Code of conduct for International Students

1. All smoking, including but not limited to tobacco products and the use of electronic smoking devices, is prohibited in enclosed buildings and facilities and during indoor or outdoor events on the campus.
2. Harassment on the basis of any legally protected characteristic is a form of discrimination and is likewise prohibited by this university policy. Prohibited harassment occurs if a hostile environment has been created that is sufficiently severe, pervasive, or persistent so as to unreasonably interfere with a person's work performance or participation in university activities.

Prohibited harassment may take the form of (but is not limited to) offensive slurs, jokes, and other offensive oral, written, computer-generated, visual or physical conduct which is aimed at an individual or group because of their protected status.

The committee has decided to take strict action against the students for any kind of misconduct.

Item no. 4 - No Tobacco Guidelines - TOBACCO FREE EDUCATIONAL INSTITUTION

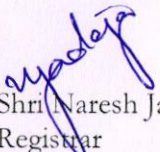

Adequate number of signage for all to see and understand the implication of consuming tobacco. The signage to be in the language of the Institution (English) and in the local language as well.

Innovation or adapting the display according to the capacity and content should convey the correct intended message like street play and nukkad natak.

It is to be noted that the Head of the Institution is also authorized to collect fine for violation of section 6(b), sale of tobacco products within 100 yards of an educational institution.

All the security staff, Hostel Warden and other Heads will also monitor that even tobacco substitutes such as e-cigarettes and the like devices viz. Heat-not-Burn devices, Vape, e-Sheesha, e-Nicotine flavored hookah is not used in the campus.

The committee has decided to take strict action against the students for any kind of misconduct.

Shri Naresh Jadeja
Registrar
Marwadi University

Minutes of the Meeting

Minutes of the Meeting of Conduct Monitoring Committee Meeting held on 25.7.2018 at
3:30PM – MC301 (Main building)

Academic Year 2018-19

Agenda Items:

- Review of the Previous Meeting:
- General Guidelines for the students

All members were present during the meetings.

Discussion:

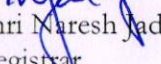

Shri Naresh Jadeja, Registrar welcomed the members present at the meeting.

Item no.1 - Review of the Previous Meeting:

Reviewed the previous minutes of the meeting and approved.

Item no.2 - General Guidelines for the students

1. Students must maintain the standard codes of the discipline of the university. Breach of discipline may lead to expulsion/rustication from the college. Students must abide by the rules and regulations prescribed by the college authority. Violation of rules, irregular attendance, discourtesy to the teachers and non-teaching staff members, use of filthy and obscene language, and willful damage of institutional property will attract proper disciplinary action.
2. Ragging in any form in a hostel and in the college campus is strictly prohibited. Proper disciplinary action will be taken against the wrongdoer.
3. Wearing ID Cards and college uniform by students are compulsory.
4. Students should fairly deal with furniture/electrical items of the university. Damage to items will lead to a penalty.

Shri Naresh Jadeja
Registrar

Open House - 2021

An open house is an event held at an institution where its doors are open to the general public to allow people to look around the institution and learn about it. - Wikipedia Definition

Marwadi University held an open house where the entire staff gathered at the auditorium with the Provost sir and all the other members of leadership team of the organization was available to all the staff members to ask any questions, give suggestions and the leadership team could answer it

It was held on 30 October 2021 in an auditorium just the day before Diwali break

The Chairman of the institution, Mr Ketan Marwadi and the Trustee, Mr Jeet Marwadi along with the Provost, Dr Sandeep Sancheti, graced the dais.

The auditorium was packed with all the staff members and they were quite enthusiastic about it.

We received questions like how can one get a financial growth in the organization, methodical guidance about how to conduct research and also what new courses we are aiming to start in next two years and whether the University is thinking of starting a Medical College

The answers were given by the Chairman and Provost sir to the satisfaction of the staff

The 7th pay implementation was announced by the Provost sir which was the direct answer to the financial growth path. The staff members were so elated hearing this, that some of them started calculating their new salaries mentally 😊

Provost also ensured the staff members that MU is indeed promoting and supporting Research at all levels and it will be given due importance. The Dean for Research position was created

The Chairman enforced the importance of contribution of the staff members. He mentioned that we intend to see MU amongst top Universities in the nation and that can happen only if staff members wish and contribute. He sought support of the team to achieve this dream

Also the financial health of the organization was put forward in front of the entire team. The philosophy behind this was that each staff member is a family member of Marwadi University. And they have the right and also a responsibility so they must see the balance sheet. This was the encouraged by the Chairman. This step created lots of positive vibes amongst the team. They were really touched and felt the integral part of the University.

All the staff members were in jubilant mood due to approaching festival. All the staff members were wished for the festive greeting by the Chairman and the Provost Sir

The sweet box was given to each member of the entire team as a parting wish for the festive season and a long awaited break to rejuvenate and replenish them and come back after the break with great fervour

MARWADI UNIVERSITY

OPEN HOUSE - 2019

Date: 17th November 2019

Office Order:

This is to inform all the staff members of the University that the OPEN HOUSE is organized for all the staff members on 23rd November 2019 with the President, Vice President and Trustee of the University. The time is 10:00am and the venue is auditorium. There will be discussions on:

1. Code of Conduct
2. Future plans of the University
3. Q and A session by the staff

Hereby all the staff members are asked to attend the same and plan the academics accordingly. -

Order issued with the approval of competent authority.

Open House - 2019

An open house is an event held at an institution where its doors are open to the general public to allow people to look around the institution and learn about it. - Wikipedia Definition

Marwadi University held an open house where the entire staff gathered at the auditorium with the Provost sir and all the other members of leadership team of the organization was available to all the staff members to ask any questions, give suggestions and the leadership team could answer it

The first open house was conducted on 23 November 2019

The Chairman of the institution, Mr Ketan Marwadi and the Trustee, Mr Jeet Marwadi along with the Provost, Dr Yogeshwar Prasad Kosta, graced the dais

It was the first of its kind so the whole staff though was excited, was also little sceptical as to what kind of questions can they ask, can they ask, what kind of response they will get, etc

We received questions like what was the vision of the chairman sir to open up a University in a remote area like Rajkot where it is difficult to attract quality resources? We also received question pertaining to the plans of Marwadi University

The Chairman gave a socially responsible answer to his reasons to open up a University in this region. He said that he wished to contribute to this region. He saw that many students went out of the region to get educated and some of them who couldn't afford lagged behind. It motivated him to think of establishing an institution with world-class facilities in this region so that every person has a chance to get good education

The Chairman also enforced the importance of contribution of the staff members. He mentioned that we intend to see MU amongst top Universities in the nation and that can happen only if staff members wish and contribute. He sought support of the team to achieve this dream

The staff felt motivated and emotional on having an open conversation with Chairman sir. They felt more connected with the highest authority of the University

The open house was followed by a small picnic in the nearby temple garden. The staff played games and any Gujarati gathering is incomplete without a garba party. The organization had arranged for the hygienic food served like fruits, corn, boiled peanuts, sugarcane to be served to all present

Orientation Programme for 1st Semester TF1-Division
Department of Civil Engineering
MEFGI, Rajkot

Orientation programme was organized for 1st Semester (TF1 Division), Civil Engineering department student on 22/01/2018.

Such orientation program is an opportunity for students to learn, About Your College's Resources, Get Help Registering for Classes, Explore Campus Activities, Check Out Residence Hall Life, Find the Way Around Campus Get to know the major landmarks and hidden corners of campus, etc. Orientation was used to build a network of resources that will help students to journey in better manner in the semester on the right path. Orientation programme was organized on very first day of the semester in initial academic slot for 1st Semester.

The heads of the civil engineering department Dr. Tarak Vora and Dr. Ankur C. Bhogayata addressed the newly joined students of 1st semester.

The class counsellor Prof Amit Joshi & subject coordinators discussed about subjects which they will study in 1st semester as per following.

1. Differential and Integral Calculus(01MA1101)
2. Elements of Mechanical Engineering(01ME0101)
3. Elements of Civil Engineering(01CI0101)
4. Basic of Environmental Science(01EN0101)
5. Physics(01GS0101)
6. Elements Electrical Engineering(01EE0101)
7. EC (01EE0104)

Prof. Amit Joshi gave a brief orientation about Marwadi Education Foundation Group of Institute's vision and mission. In their address to the students following points are covered

- Institute Vision and Mission
- Department Vision and Mission
- Outcome Based Education

They also said about the importance of the practical knowledge and experiments with the theoretical knowledge. Also, class counsellor has motivated regarding student portal to use. How to se attendance, TT, Exam TT, Locations, Library slots etc.

In the last part of the programme, the following points explained:

- Teaching scheme
- Detail syllabus and Evaluation pattern
- Course outcome and Programme outcome mapping
- Discussion regarding industrial visit in the semester

Orientation programme was concluded by Prof. Amit Doshi with Vote of thanks and filled up the registration form, followed by regular lectures as per academic time table.

The heads of the civil engineering department Dr. Ankur C. Bhogayata, Dr. Tarak Vora and Dr. Siddharth Shah addressed the newly joined students of 1st semester.

Prof. Bhavik Daxini gave a brief orientation about Marwadi Education Foundation Group of Institute's vision and mission. In their address to the students following points are covered

- Institute Vision and Mission
- Department Vision and Mission
- Outcome Based Education

They also said about the importance of the practical knowledge and experiments with the theoretical knowledge. Also, class counsellor has motivated students for GATE examination for final year exam.

The class counsellor & subject coordinators discussed about subjects which they will study in 1st semester as per following.

8. Differential and Integral Calculus
9. Elements of Mechanical Engineering
10. Elements of Civil Engineering
11. Basic of Environmental Science
12. Physics
13. Elements Electrical Engineering
14. EC

In the last part of the programme, the following points explained:

- Teaching scheme
- Detail syllabus and Evaluation pattern
- Course outcome and Programme outcome mapping
- Discussion regarding industrial visit in current semester

Orientation programme was concluded by Class Counsellor with Vote of thanks and filled up the registration form, followed by regular lectures as per academic time table.

ORIENTATION FOR THE 1ST YEAR CIVIL ENGINEERING STUDENTS

This is to inform to all that, the Department of Civil Engineering has organized the orientation session for all the first year students on 11/02/2020 at the location MB002 from 10:30 am to 11:30 am. Following is the flow of the session;

- Welcome address by the Head of the Department
- Departmental presentation to the students by the class coordinator
- Brief on the curriculum, subjects and the pre-requisites by the class coordinator
- Explanation of the examination and assessment system by the exam coordinator
- Presentation on student support systems by the mentor faculty
- Awareness about the student portal and relevant details by the class coordinator
- Open house
- Vote of thanks by the class coordinator
- All are requested to grace the session and make it convenient to attend.

Orientation Programme for 1st Semester Civil-Division
Department of Civil Engineering
MU, Rajkot

Orientation programme was organized for 1st Semester (TF1 Division), Civil Engineering department student on 11/02/2020.

Such orientation program is an opportunity for students to learn, About Your College's Resources, Get Help Registering for Classes, Explore Campus Activities, Check Out Residence Hall Life, Find the Way Around Campus Get to know the major landmarks and hidden corners of campus, etc. Orientation was used to build a network of resources that will help students to journey in better manner in the semester on the right path. Orientation programme was organized on very first day of the semester in initial academic slot for 1st Semester.

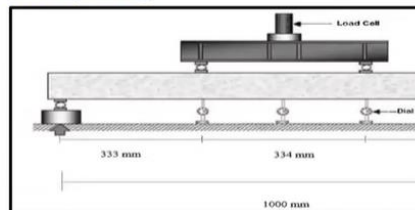

The head of the civil engineering department Dr. Tarak Vora addressed the newly joined students of 1st semester through u-tube as orientation was online.

Department of Civil Engineering

Material Testing Lab

Testing of slab with opening

The class counsellor & subject coordinators discussed about subjects which they will study in 1st semester.

Prof. Tarak vora gave a brief orientation about Marwadi Education Foundation Group of Institute's vision and mission. In their address to the students following points are covered

- Institute Vision and Mission
- Department Vision and Mission
- Outcome Based Education

They also said about the importance of the practical knowledge and experiments with the theoretical knowledge. Also, class counsellor has motivated regarding student portal to use. How to see attendance, TT, Exam TT, Locations, Library slots etc.

In the last part of the programme, schedule of their induction program was explained with following points.

- Teaching scheme
- Detail syllabus and Evaluation pattern
- Course outcome and Programme outcome mapping
- Discussion regarding industrial visit in the semester

Orientation concludes with vote of thanks and information regarding upcoming schedule.

DEPARTMENT OF CIVIL ENGINEERING

**Details of activities for the first year students during
28 September to 5 October 2021 for the bridge course modules**

Sr. no	Name of activity on Time-Table	Details of activities	Faculty name
1	Introduction of Civil Engineering (3 session of 60 minutes each)	Lecture by HOD	Dr. Ankur Bhogayata Dr. Tarak Vora Dr. Siddharth Shah
2	Visit to the Civil engineering labs (120 minutes)	Total 6 labs will be introduced to the new students. The faculty in charge of the laboratory will show and demonstrate the important instruments and their use in the practical learning of the relevant contents.	
		1. Demo of compression testing machine (Concrete Lab-MB002)	Prof. Kedar Desai
		2. Demo of Universal testing machine (Concrete Lab- MB002)	Prof. Kedar Desai
		3. Demo of Earthquake engineering shake table with different building types (EQ-Lab- MB008)	Prof. Kedar Desai
		4. Demo of dumpy level and total station for surveying (Survey Lab-MB015)	Prof. Chirag Asodariya
		5. Shear apparatus of soil testing (Geotech Lab- MB014)	Prof. Chirag Asodariya
		6. Demo of CG and MI model (MOS Lab – MB015)	Prof. Chirag Asodariya
3	Departmental Orientation (60 + 60 = 120 minutes)	The class coordinator will discuss and explain following things to the students by means of a presentation	Prof. Ravi Modi & Prof. Kedar Desai
		1. About academic timetable, lunch hours and labs sessions	
		2. Subjects of all the semesters and their importance in career	
		3. Evaluation, examination and grading system	
		4. Facilities to the students offered by the department	
		5. Placement related discussion	
		6. About the special recognitions received by the department	
4	Field Activity (120minutes)	The students will be brought to the two different site locations at the campus.	
		1. The faculty will explain the details of the construction sequence at the under construction site at the Canteen building. This will enable students to understand the process and fundamentals of the construction of a building. 2. Demonstration on: How to measure the ground level, height of the object and distance measurement in the actual site with the help of various survey instruments. Students will do hands on also in a group activity.	Prof. Yashwant Zala
5	Bridge Design activity (120 minutes)	The students will be visiting and working at the software laboratory at MB314. Following activities will be carried out by the students under the guidance of the faculty	Prof. Kunal Shukla
		1. Model the bridge with different arrangements of the members using "Bridge Designer" software	
		2. Understand the role of particular member in the bridge	
		3. Stability and safety observations and design check on a software	

6	Technical Video session (120 minutes)	<p>The students will watch the technical documentaries on the MEGA structures in the class rooms. The documentary is from National Geographic Channel and made available to the students. Following are the titles of the documentaries</p> <ol style="list-style-type: none"> 1. Construction of Burj-Khalifa at Dubai 2. Inside the Leaning tower of Pizza France 3. The great golden bridge / The statue of Unity at Kewadia <p>After and during the screening of the documentary, the faculty will keep explaining the important terms and processes. Students will be asked to share their learning from each movie after the screening via a short quiz.</p>	Prof. Parth Lakhani
7	Project Based Learning activity (60Minutes)	<ul style="list-style-type: none"> • Faculty will introduce the subject to the students. The importance of the subject, its nature, and its necessity will be demonstrated. • Students must understand the process of doing a Project based learning activities. For this the topics, the method of grouping of the students, the way of doing the activities and evaluation of the work will be explained. • Moreover, some of the good examples of PBCS projects and works done by the senior students will be shown and displayed to the students at the classroom. 	Prof. Husain Rangwala
8	Alumni Talk (60minutes)	<p>The alumni student Mr. Kishan Pandya (Owner of Welproof Constructions and Waterproofing Pvt. Ltd. Rajkot) and Mr. Charmin Jarsaniya (Owner of SAHAJ Group of Services (fire safety instruments and systems), Rajkot) are invited at the campus on 4/10/2021 at 2.15pm. The alumni will talk with the students about following topics:</p>	Prof. Jay Kalaria

		<ol style="list-style-type: none"> 1. Their experience at MU 2. Their journey (academic and professional) 3. The inputs received from teachers and how the course/ civil engineering program helped them to excel in their profession at present 4. Feedback on different institutional facilities and their importance 	
9	Awareness on IPR (60 minutes)	<p>The students will be explained with the meaning, importance and primary know how about IPR. Following points will be covered in the session</p> <ol style="list-style-type: none"> 1. What is IPR and why you should know it? 2. What is the importance of IPR for an engineer and researchers? 3. Types of IPR and where to apply, how to apply and how much is the time required? 4. How IPR has made difference in the world's research and development activities? 	Prof. Bhavik Daxini
10	Literary session (4 sessions of 60 minutes each)	<p>In these sessions, the faculty will provide insights on the important mathematical topics learnt by the students during their school days.</p> <ul style="list-style-type: none"> • Recap of Calculus (Formula of differentiation, and integration) • Application of derivative and integral • Application of Mathematics in real life • Vedic Mathematics and Fibonacci Numbers 	Prof. Parinda Bhatt

*STUDENT ORIENTATION PROGRAMME FOR
CREATING AWARENESS FOR THE CODE OF CONDUCT*

FACULTY OF MANAGEMENT STUDIES

4th August 2021

NOTICE

Prarambh – 2021

Event: Prarambh – 2021 Orientation Programme for UG student- SEMESTER I

Dear Faculty Members,

We would like to invite all staff members to attend our upcoming orientation programme for new students. The programme aims to provide new students with an introduction to our university's culture, values, academic environment, and support services. It will also give them a chance to meet faculty members, staff, and fellow students.

We believe that staff members play an essential role in helping new students settle into their academic environment. Your presence and participation in the orientation programme will help create a welcoming and supportive atmosphere for our new students.

The orientation programme will take place on 9th August 2021 at 9:00am onwards in the Auditorium, Marwadi University. We encourage all staff members to attend and participate fully in all activities.

Thank you for your continued support in making our university a welcoming and inclusive community.

Best regards,

Dr. Sunil Kumar Jakhoria
Dean, Faculty of Liberal Studies
Marwadi University

4th August 2021

NOTICE

Prarambh – 2021

Event: Prarambh – 2021 Orientation Programme for UG student- SEMESTER I

Dear Students,

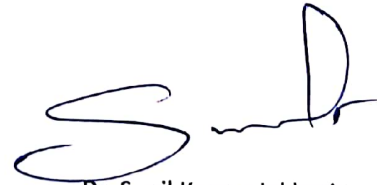

Marwadi University will be organizing an orientation programme for all new UG students joining our undergraduate programmes.

The programme aims to provide you with a comprehensive understanding of the University's culture, values, academic environment, and support services. It will also give you an opportunity to meet faculty members, staff, and fellow students. The programme will also outline our expectations for behavior, respect for others, and academic integrity. Please take a moment to review the code of conduct, which can be found on our website.

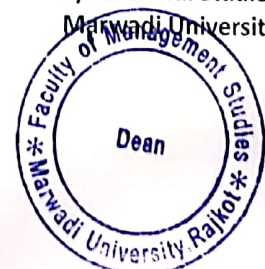

The orientation programme will take place on 8th August 2021 at 9:00am onwards in the Auditorium, Marwadi University. It will cover topics such as the University's history, academic policies, campus facilities, and extracurricular activities. You will also have a chance to ask questions and interact with senior faculty members.

We encourage all new students to attend the orientation programme and participate fully in all activities. We look forward to welcoming you to the University and helping you to succeed in your academic journey.

Best regards,

Dr. Sunil Kumar Jakhoria
Dean, Faculty of Liberal Studies

The interface includes a URL for the poll, a Mentimeter logo, and a participant count of 148.

Story 03 Decode the Lesson

One day a monk met an acquaintance in the street.

The man looked worried and the monk asked him what was troubling him.

"I have this terrible dream," said the man. "Every night I dream there's a monster hiding get up and look there's no one there. I can't sleep afterwards. I am on my way to the doctor says he can cure me for a hundred dollars."

"A hundred dollars!" exclaimed monk. "I can rid you of your problem for just 10!"

Story 05 Decode the lesson 

There once was a king who offered a prize to the artist who would paint the best picture of peace. Many artists tried and submitted their work. The king looked at all the pictures. There were only two he really liked, and he had to choose between them.

One picture was of a calm lake, perfectly mirroring the peaceful, towering mountains all around it. Overhead was blue sky with fluffy, white clouds. It was the favourite of all who saw it. Truly, they thought, it was the perfect picture of peace.

The other picture had mountains, too, but these were rugged and bare. Above was an angry sky from which rain fell and in which lightning played. Down the side of one mountain tumbled a foaming waterfall. A less peaceful picture would be difficult to imagine. But when the king looked closely, he saw that in the midst of the rush of angry water, sat the mother bird on her nest in perfect peace. Which picture do you think you have selected? The king chose the second picture. Do you know why?

Stories & Your Learnings

'Prarambh - 2021' Made with curious mind

NURALI CHAMADIYA JUL 02, 2020 04:10AM

14.08.2021 learnings. (by Grishma Dobariya)

Today I learned that if you want to be a successful manager, host, leader, you HAVE TO keep your audience on feet. I learned how to keep everyone entertained while teaching them some of the most serious things about life. Thank you sir, I needed these. ☺
I needed a way such as yours to help people I can't help with my way. Your 'you made my day' made my day. 😊
I truly look forward to meeting you in person at the college and having such session there, and hopefully help you out with it too. 🥰🥰
(Oh! & The fact that this session has put me in a really happy place with having my breakfast.. is 🥰 I don't know how my system is cooperating but I loved it.) 😊

Lessons

- * Never judge a book by its cover.
- * Trust the process, be positive and calm.
- * Overconfidence is bad but confidence leads to success and productivity.
- * Build your inner personality.
- * You Can bring Change, take charge of your Life. 🙌🔥

It was a very good ,wonderful and amazing session with Nur Ali Sir .

Sir helped to make things understand with puzzles, stories and many more so, Thank you very much sir .

This is really powerful session for story session and I learned many things like how to complete things in quickly and how to share our experience right way

Today's Learning : Darshini Ramani

It was a great pleasure for us to learn so many life values from you as it would help us all the way of our life. Thank You for all that you did for us.

Learned a lot from this..

It was very grateful. Thank u so much to make this session very excited.

Dear Sir

I think I learned tons of amazing things but my favourite part was stories. I resonate myself with them. I learned how to accept myself whole-heartedly and be who I am because I am amazing !

Sanya Doshi

Today's learning

Be honest
Be loyal
Be clam
Be peaceful
Concentration I most useful in our life

Shivangi dubey

Today session is wonderful I great enjoy this session....

I wont to English from you

Feedback

Learned a lot from this session and also enjoyed it thoroughly.
Thank You So Much Sir

Sahil Buvariya

Gr no. 113088

Respect sir
Today's session is osm i learn very much and i also enjoy a lot the activities
Thanks a lot for making our today's day happy.

Purva

Amezing

Be capable of proving what you are capable of saying!

Barsha bera

We had enjoy alot sir
We r excited to meet you 🍷

Hey sir,

I want to say you made my day, this first lecture I will not forget.....FROM STORYS WE LEARNT MUCH THINGS SIR THANK YOU SO MUCH SIR IT WAS AMAZING SIR😊

Viraj Dubariya

But as long as you focus on the negative baggage from yesterday, it's going to keep you from getting to where you want to go. Focusing on your past mistakes, what hurt you and what didn't work out can only stop you from the bright future you envisioned.

To start afresh and move forward, there are a lot of things you are going to want to drop. Whether it's a betrayal, bad childhood, divorce, or bad job, you have to let it go and move forward.

smit sarvaiya

today i am learn many thing like

- 1 focus
- 2 problem managment

Today's session is an incredible Thank you so much for a great knowledge and story

Nirav davda

Believe in yourself when everything seems to be wrong. Believe in tomorrow will be another day

nazim parasara

never say it's impossible because impossible says i m possible.

Sanghani Darshan

- I will pay attention to my goals and my dream
 - positive attitude towards work
 - not make thing more difficult
- Every thing is possible

Isha Vora

Today session is the greatest ever I have enjoy a lot in this session. I like the activity which you have made us to do . Thank you for the wonderful session.

Medhavi Sumaniya

capable to face prombles in every moment
do not be egostic
honesty

But as long as you focus on the negative baggage from yesterday, it's going to keep you from getting to where you want to go. Focusing on your past mistakes, what hurt you and what didn't work out can only stop you from the bright future you envisioned. Today I feel so good to meet you today is best lecture

Rajvi kanabar

Always have positive attitude and all problem have some solution

greatful to attend the sessions.. unique and important concepts to learn..

Rajviba Jadeja

Today's session was really amazing i enjoyed a lot and i also learnt so many things i.e.,

1. To focus on my work
2. To not overthink over small things
3. Do not have negative mindset
4. To have self confidence always

Shyam Makadia

Very interesting and active session
& Lots of learning points

Mansi Chandibhamar

Always be calm in every situation
Find peace everywhere even if there is problem
Be honest every time in every situation even if it is not good

Stay focused

Thank you sir we are blessed to attend your class

I have learned many lessons like we should always work hard , nothing is impossible unless we try it hard

I learn how two successful in life....

NEVER DESPISE WHAT WE CAN'T HAVE ;NOTHING COMES EASY

Learning from today's session

Don't be egoistic

Respect others and their knowledge

Difficulties are with everyone but we should maintain the calmness in our mind and face the difficulties

Be honest in your life

Abhishek daftari

I am Vagadiya Saloni

I was really really good

Your energy energised us

It was fun having a session with you

We are lucky enough to have you

Hope we meet soon

Bhavanshu

The mind capabilities are to be controlled or to be controlled by our mind

Harshil kapadiya

Sir from today's session I learnt that not only bookish knowledge is necessary and nobody is important or nobody is rubbish it depends on us.

And I also like your 3 statements shared by you

Yash Vekariya :-

Sir, all I need to say is we all have enjoyed your class, from now onwards being honest we will be waiting for your next sessions

Thank You 🙏

From last 2 to 3 months we didn't do any activities and didn't use our mind and today you make us day satisfied thank you so much sir!

Name :oza yashv8

We should be loyal. We should be calm in all the difficulties which come and tackle it with calm and peaceful mind. Our behaviour should be good to others

Honesty is Royalty

Orientation in general

I truly enjoyed all the sessions, surprisingly all the sessions were unique, catchy, and lesson-based

Vishwaraj zala

Today I have learned many wisdoms from the stories the stories elucidate many life lessons that can be implemented in our daily basis

I learnt to many things from you

Kishan Desai

There will be many problems in your life just train your mind to stay calm

Learning

I obviously learned so much, I came to know that what I know is a drop and what I need to know is an ocean, I also saw many people not knowing proper English in the chat box but the knowledge they have is incredible

We learn to be a loyal , peacefull person

Always believe in yourself you can do anything

Yug Patel

I have learned many lessons like we should always work hard, nothing is impossible unless we try it hard

Stay calm confident and concentrated

This is the best session I have attended. Stories are really good

Today's learning by Deepesh mandal

1. Respect others
2. Be calm
3. Focus
4. Concentretion
5. Honesty

I enjoyed your session.....

Salute you sir UMANG CHANDRANI

Very nice and very interesting story we had learn very nice sir
We enjoyed a lot sir 😊

jainish

peace is a reward after hardwork

Arshiljuneja

Sir the gareat experience of the lekchur I have now
Thank you 😊

DHRUV DODIYA

IF SOMEONE MISSED IT HE /SHE IS SO UNLUCKY

**Being honest and being loyal and being
capable of facing our own problems and use
some brain will make your life happy**

NOTICE

Prarambh – 2022

Event: Prarambh – 2022 Orientation Programme for UG student- SEMESTER I

Dear Faculty Members,

We would like to invite all staff members to attend our upcoming orientation programme for new students. The programme aims to provide new students with an introduction to our university's culture, values, academic environment, and support services. It will also give them a chance to meet faculty members, staff, and fellow students.

We believe that staff members play an essential role in helping new students settle into their academic environment. Your presence and participation in the orientation programme will help create a welcoming and supportive atmosphere for our new students.

The orientation programme will take place on 7th & 8th July 2022 at 9:00am onwards in the Auditorium, Marwadi University. We encourage all staff members to attend and participate fully in all activities.

Thank you for your continued support in making our university a welcoming and inclusive community.

Best regards,

Dr. Sunil Kumar Jakhoria
Dean, Faculty of Management Studies
Marwadi University

Anusthanpan 2019-20

Objective of the Course:

The objective of this course is to facilitate institutions and faculty in implementing a Foundation Course of one-month duration at the beginning of the MBA course that will sensitize the fresh management student with the required knowledge and skills that will assist him/her in acclimatizing to the new professional environment which would be his/her milieu for a life-long career in the medical profession.

The Foundation Course will also provide a sound foundation for learning in the MBA course and later in their professional career. While the institutions are expected to abide by the general guidelines, local changes can be made depending on the context and requirements.

Event Report

Anusthapan 2022: The New Beginning

Student Induction program for MBA

8th Aug – 17th Aug 2022

Faculty of Management Studies, Marwadi University

The purpose of the annual induction programme is to provide our new MBA students with the appropriate direction and information regarding the institute. This is done so that the students can obtain a full and complete picture of the institution and cultivate a robust sense of social and human values, both of which will assist them in achieving success in the business world as well as in life.

Keeping the long-standing and illustrious practise that has been followed in the past, this year we had a six days induction program followed by bridge courses for another two weeks to be provided to our more than 500 MBA first-semester students.

Program Highlights

- Inaugural ceremony with eminent guest from Academia, Industry and senior bureaucrats
- Familiarising institution's facilities and services
- Session on Universal Human Values and by experts from various spheres of life
- Sessions on Life skills, Management Games and sustainable practices
- Motivational talks
- Industry expert interaction
- Cultural performances and Talent hunt

The second phase of Anusthapan 2022 was the Foundation course which was designed for all MBA 1st year students to bridge the gaps among the freshers coming from diverse background. A total of six courses were successfully delivered in two weeks to 530 students. The courses were ACCOUNTS, STATISTICS, COMMUNICATIONS, ECONOMICS, MATHS, MS-EXCEL, EI FOR SUCCESS & HAPPINESS.

Dear Students,

We are excited to announce that Automobile engineering department has organized an orientation programme for the 1st year students of Automobile Engineering on 01/08/2017, which marks the beginning of their academic year.

The orientation programme will take place at 10:00 AM in the MA011 lecture hall. We encourage all department faculties to attend and share their well-wishes with the students. The student council is also invited to introduce the campus to the new student batch.

The orientation programme will provide students with an opportunity to get to know their faculty, staff, and fellow students. It will also cover important information related to the course curriculum, expectations, policies, and procedures.

We look forward to seeing you at the orientation programme and welcoming our new students to the campus.

Orientation Programme for 1st Semester

2017-18

An orientation program was conducted for the first-year undergraduate students of automobile engineering (class: TH1) on 01/08/2017. The program aimed to familiarize the students with the academic, social, and cultural aspects of the college and to create a smooth transition for them into college life.

Academic Orientation:

The academic orientation session was conducted by the Head of the Department (HOD), who introduced the students to the various courses, modules, and academic requirements of the automobile engineering program. The HOD also briefed the students on the importance of maintaining a good academic record and the various academic support services available to them.

Points covered by HOD:

- Institute Vision and Mission
- Department Vision and Mission
- Outcome Based Education
- Teaching scheme
- Detail syllabus and Evaluation pattern
- Course outcome and Programme outcome mapping

Campus and Facilities Tour:

The students were given a guided tour of the college campus and facilities. The tour covered the library, classrooms, labs, workshops, and other essential facilities. The students were also introduced to the support staff and were given a brief on how to access various services and resources on campus.

Social and Cultural Orientation:

The social and cultural orientation session was conducted by the Student Council, which briefed the students on the various clubs, societies, and events organized by the college. The students were encouraged to participate in extracurricular activities to develop their skills and interests.

Interactive Sessions:

Interactive sessions were organized where the students could interact with the seniors and faculty members. The seniors shared their experiences and offered guidance on how to navigate college life. The faculty members clarified doubts and provided insight into the academic curriculum and various research opportunities available to the students.

Conclusion:

The orientation program for the first-year undergraduate students of automobile engineering was successful in familiarizing the students with the college's academic, social, and cultural aspects. The students were provided with the necessary information and guidance to navigate college life and excel academically and socially. The program helped create a positive and supportive environment for the students, and we hope that they will have a fulfilling college experience.

Orientation Programme for 1st Semester

2018-19

On, 01-08-2018 an orientation program was held for the first-year undergraduate students of automobile engineering at Marwadi University. The program aimed to provide the students with essential information and guidance about the course, department, and university. This report outlines the details of the program and its impact on the attendees.

Program Details:

The program started at 10:30 with a welcome speech from the Head of the Department, who introduced the faculty members and outlined the course's structure and objectives. The students were then introduced to the support services available on campus, including the library, counseling center, and career development center.

Points covered by HOD:

- Institute Vision and Mission
- Department Vision and Mission
- Outcome Based Education
- Teaching scheme
- Detail syllabus and Evaluation pattern
- Course outcome and Programme outcome mapping

The keynote speaker, Dr Pinak Pate senior faculty in the department of automobile engineering, gave a comprehensive overview of the industry's current state and future prospects. He also discussed the various career paths available in the industry, highlighting the importance of developing strong technical and interpersonal skills to succeed in the field.

The students were then given a tour of the department's facilities, including the workshops, laboratories, and classrooms. The tour allowed the students to familiarize themselves with the resources available to them and interact with their peers and faculty members.

The program concluded with a panel discussion featuring the student council from the department. The panelists shared their experiences and insights, providing first-year students with valuable advice on how to navigate their academic and personal lives.

Impact:

The orientation program was well-received by the students, with many expressing appreciations for the informative and engaging sessions. The students felt more connected to the department and the university and expressed confidence in their ability to succeed in the course.

Conclusion:

Overall, the orientation program was a success, providing the first-year undergraduate students of automobile engineering with valuable information, guidance, and support. The program

helped the students feel more confident and prepared for their academic and personal journey, setting them on the path toward a successful career in the automobile industry.

Orientation Programme for 1st Semester

2019-20

An orientation program was organized for the 1st year undergraduate students of Automobile Engineering on 29/7/2019 in class MA011. The main objective of the orientation program was to welcome the newly admitted students and introduce them to the academic environment and the resources available in the institution. The program also aimed to familiarize the students with the expectations, rules and regulations, and policies of the institution.

Schedule of the Orientation Program

The program started at 10:30 AM with a welcome address by the Head of Automobile Engineering. The HOD introduced the institution and the faculty members to the students and highlighted the importance of the Automobile Engineering program. The program continued with the following sessions:

1. **Overview of the Curriculum:** The Head of the Department of Automobile Engineering presented an overview of the curriculum, including the course structure, academic requirements, and assessment methods. The students were given a clear understanding of the program and their expectations from them.

Points covered by HOD:

- Institute Vision and Mission
 - Department Vision and Mission
 - Outcome Based Education
 - Teaching scheme
 - Detail syllabus and Evaluation pattern
 - Course outcome and Programme outcome mapping
2. **Library and Computing Facilities:** The librarian presented the library resources and services available to the students. The students were introduced to the online catalog and databases and shown how to access them. The computing facilities were also highlighted, and the students were instructed on how to use the online portal to access course materials, submit assignments and communicate with faculty members.
 3. **Campus Tour:** The students were taken on a tour of the campus, including the classrooms, laboratories, workshops, and other facilities. They were shown the location of the academic departments, administrative offices, and library.
 4. **Extracurricular Activities:** The Director of Student Affairs presented the various extracurricular activities available to the students, including sports, clubs, and societies. The students were encouraged to participate in these activities to develop their leadership, teamwork, and communication skills.
 5. **Code of Conduct:** The students were given a briefing on the code of conduct, rules, and regulations of the institution. They were informed about the policies related to academic integrity, attendance, and dress code. The students were advised to abide by the rules and regulations of the institution and warned of the consequences of non-compliance.

Conclusion

The orientation program was successful in achieving its objectives of welcoming the students, introducing them to the academic environment and resources, and familiarizing them with the expectations, rules and regulations, and policies of the institution. The program also provided an opportunity for the students to interact with the faculty members and other students and develop a sense of belonging to the institution. The students were satisfied with the program, and their feedback will be used to improve future orientation programs.

Orientation Programme for 1st Semester

2020-21

An orientation program for the 1st-semester students of Automobile Engineering was organized on 22st October 2020. The aim of the program was to provide students with an introduction to the department, acquaint them with the university's rules and regulations, and inform them about the curriculum, academic policies, and resources available to support their learning.

Program Schedule:

The program started at 10 am and continued till 2 pm. The schedule of the program was as follows:

10:00 am - 10:30 am: Welcome Address by the Head of the Department, Prof. Nikhil Chotai.

10:30 am - 11:30 am: Introduction to the University's Rules and Regulations.

11:30 am - 12:30 pm: Curriculum and Academic Policies by the Class Coordinator.

12:30 pm - 1:00 pm: Lunch Break

1:00 pm - 2:00 pm: Resources Available for Students, including Library, Laboratories, and Clubs by the Student Council.

Program Details:

The welcome address was delivered by the Head of the Department, Prof. Nikhil Chotai, who emphasized the importance of Automobile Engineering in today's world and the immense opportunities available in this field. He also introduced the faculty members to the students and encouraged them to take full advantage of the knowledge and expertise of the faculty members.

Points covered by HOD:

- Institute Vision and Mission
- Department Vision and Mission
- Outcome Based Education

The Class Coordinator provided a comprehensive overview of the curriculum, academic policies, and assessment methods of the program. He explained the importance of academic integrity and the significance of assignments, projects, and exams in the overall assessment.

Points covered by Class Coordinator:

- Teaching scheme
- Detail syllabus and Evaluation pattern
- Course outcome and Programme outcome mapping

During the session, the Student Council informed them about the resources available to them, such as the library, computer labs, workshops, and clubs. She also encouraged the students to participate in extracurricular activities and explore their interests and talents beyond academics.

In conclusion, the orientation program was a great success, and the students gained valuable insights into the department, university, and resources available to them. The program helped the students to have a clear understanding of their academic journey and their expectations from them. Overall, it was a productive and informative session, and we hope that it will help the students to make the most of their time at the university.

Orientation Programme for 1st Semester

2021-22

Date: 06/10/2021

An orientation program was held for the 1st semester automobile engineering students to introduce them to the university, the department, and the course. The program aimed to familiarize the students with the academic policies, expectations, and resources available to them.

Program Details:

The program was held on the first day of the academic session and was attended by all the first-year students of the department. The program was conducted by the department faculty and staff, along with senior students who acted as mentors. The program was divided into multiple sessions, which covered various aspects of the course, university policies, and academic resources.

Session 1: Introduction to the University

The first session of the program was an introduction to the university, its history, mission, and vision. The university officials gave a brief overview of the facilities, services, and opportunities available to the students. They also provided an overview of the academic calendar, the examination system, and the grading policy.

Session 2: Introduction to the Department

The second session was an introduction to the department and its faculty. The department chair and faculty members welcomed the students and provided an overview of the course structure, curriculum, and learning outcomes. They also discussed the research areas and projects undertaken by the department.

Session 3: Academic Policies and Expectations

The third session focused on the academic policies and expectations of the university. The students were informed about the attendance policy, code of conduct, and plagiarism policy. They were also advised on the importance of academic integrity and the consequences of violating the policies.

Session 4: Student Support Services

The fourth session focused on the support services available to the students. The university officials and faculty members discussed the counselling services, career services, and academic advising services available to the students. The senior students also shared their experiences and provided guidance to the freshmen.

Conclusion:

The orientation program was well received by the students, who appreciated the opportunity to learn about the university and the department. The program provided the students with an

overview of the academic policies, expectations, and resources available to them. The program helped the students to feel welcome and supported in the university and provided them with the foundation to succeed academically.

Speaker	Shri. Praveen Kumar Meena- IPS ,Mr. Nitin Bawsay
Topic	Orientation Program of BCA students
Date	14/07/2022
Brief	<p>Faculty of Computer Applications organises Orientation program of BCA ,BCA(Hon),B.Sc(DS) semester -1 named "SUBHARAMBH". The goals of the orientation program is to create student's familiarity with the institution's regulations and academic standards, acquaint the students with their classmates and to learn about the other institutional members that will help students succeed. A good orientation program helps students feel excited about starting college and smooths the transition to campus life and the independence that comes with it. The second aspect of the role of orientation is acclimating students to their new environment. Also to assist students in understanding the purpose of higher education and the process of determining their own educational goals.</p> <p>We have invited two great personalities Shri. Praveen Kumar Meena, IPS, And Guest of Honor - Mr. Nitin Bawsay, VP Operations ,Cin7 to motivate and guide our new students of FCA.</p> <p>We also arranged informative slots where respective representative of different departments provided information regarding how they work.</p>

E - Orientation Program

Faculty of Physiotherapy

Date: 24/11/2020

The orientation program of the department was held on 24th November, 2020 through virtual mode using Google Meet platform (meet.google.com/jgh-kadq-pkn).

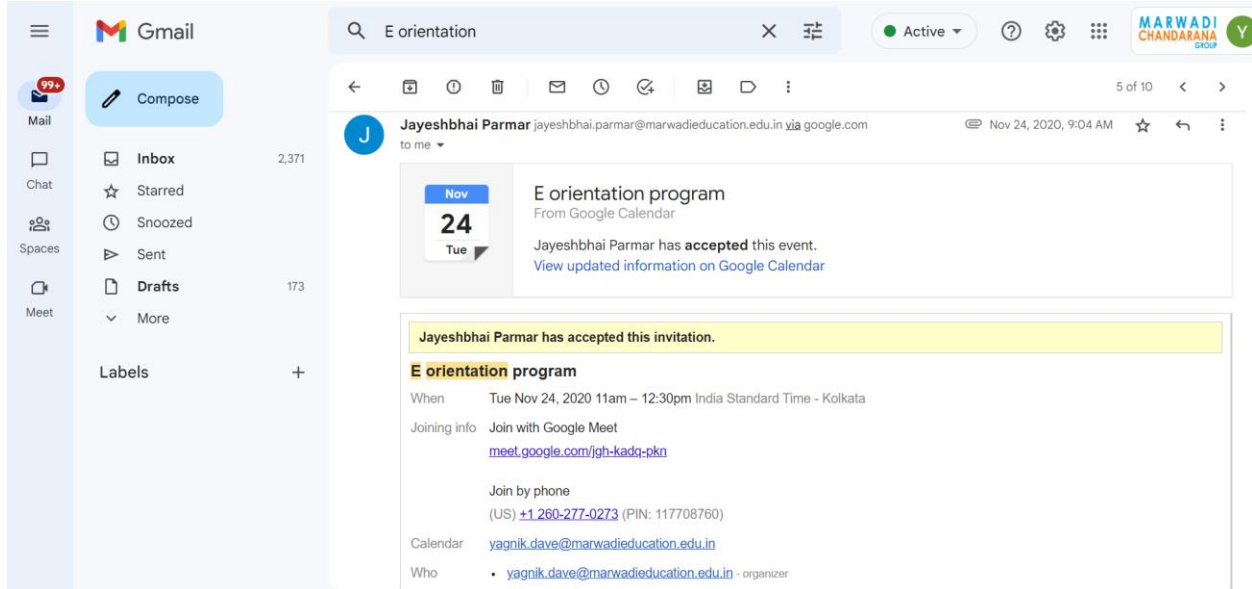

At the beginning of the orientation program, Dr. Jayesh Parmar (Principal Faculty of Physiotherapy) welcomed all the new students to the university and expressed heartfelt gratitude to the parents/guardian of the students for their believe and faith in the MU.

Mission and vision of both the university and the Faculty of Physiotherapy were informed to the students. Curriculum and subject related basic information provided by Dr. Yagnik Dave, Dr. Gauravgiri Gosai and Dr. Radhika Pande. Exam pattern of Faculty of Physiotherapy explained by Dr. Gaurav Gosai.

Dr. Yagnik Dave mentioned the importance of the curricular and extra-curricular activities as well detail explanation given for Clinical Postings in upcoming years. Department has taken several initiatives to make the teaching learning process more joyful at the campus (sport slot, library hours, interact hours, mentoring and many more).

Total 40 students along with Principal and Faculty members were present during the E-Orientation program of Faculty of Physiotherapy and the whole event was coordinated by Dr. Yagnik Dave.

After sharing this information, Question-Answer session from student side managed and explained by Dr. Yagnik Dave. At the end, Dr. Yagnik Dave presented the vote of thanks.

The screenshot displays a Gmail interface. On the left, the navigation sidebar includes 'Compose', 'Inbox' (2,371), 'Starred', 'Snoozed', 'Sent', 'Drafts' (173), and 'More'. The main content area shows an email from 'Jayeshbhai Parmar' (jayeshbhai.parmar@marwadieducation.edu.in) received on Nov 24, 2020, at 9:04 AM. The email subject is 'E orientation program' and it is marked as 'Accepted'. A calendar snippet shows 'Nov 24 Tue'. The body of the email contains a yellow confirmation bar: 'Jayeshbhai Parmar has accepted this invitation.' Below this, the event details are listed: 'E orientation program' on 'Tue Nov 24, 2020 11am - 12:30pm India Standard Time - Kolkata'. Joining information includes a Google Meet link (meet.google.com/jgh-kadq-pkn) and a phone number (+1 260-277-0273). The organizer is identified as 'yagnik.dave@marwadieducation.edu.in'.

The screenshot shows a Zoom meeting interface. At the top, a presentation slide is displayed with the following content:

- Marwadi University logo in the top right corner.
- Text: E-Orienta
Program
- Text: Faculty of Physiotherapy
- Text: Batch: 2020-21
- Text: Date: 24/11,2020

Below the slide, the name of the current speaker is shown: KISHANKUMAR MAURYA left.

At the bottom, a list of participants is visible:

- You (with a microphone icon)
- HARSHK... (with a microphone icon)
- Jayeshb... (with a microphone icon)
- 52 others (with a microphone icon)

At the very bottom of the screen, there are five circular control buttons: a red button with a white telephone handset icon (mute/unmute), a white button with a white microphone icon (mute/unmute), a white button with a white microphone icon (mute/unmute), a white button with a white hand icon (raise/lower hand), and a white button with three vertical dots (more options).

ORIENTATION PROGRAM

B. Pharm. Semester 1

AY 2018-19

August 16, 2018, Thursday, 10:30 to 13:00

MC501, Seminar Hall, Marwadi University campus

No. of students present: 53

Objective

The orientation program is an opportunity for any student to learn, how to navigate this campus and will introduce the Faculty of Pharmacy (FoP). An orientation program can be used to build a network of resources that will help students and their parents start their student journey on the right path.

Event flow

The orientation program for the newly admitted undergraduate students of B. Pharmacy Semester-1 was organized on August 16, 2018. Students and their parents were formally welcomed and introduced to the culture of the Faculty of Pharmacy and Marwadi University campus.

The orientation began with lamp lighting by the students and parents and was followed by Saraswati Vandana, at Seminar Hall (MC501). The dignitaries present on the occasion were, Dr. Y. P. Kosta – Provost, Shri Naresh Jadeja – Registrar, Dr. Rajendrakumar Joshi – Director, Learning & Development, Dr. Gaurav Gandhi – Assistant Vice-President, Placement Cell, Dr. Vipul Patel – Principal, Faculty of Pharmacy.

Dr. Vipul Patel – Principal, FoP, warmly welcomed the students and parents of the MEFGI family and introduced to them the culture of FoP and Marwadi University. He also focused on infrastructure facilities; Examination rules & regulations; hostel and meal plans; Library & Books facility; Teaching methodology; Sports & culture events and many other campus resources.

Shri Naresh Jadeja, Honourable Registrar of Marwadi University, gave a brief note on the working environment of Marwadi University and focused on the facilities provided by the university. He further explained basic information regarding the library facilities, transportation facilities, hostel facilities, and security services available on the MU campus. He has focused more on attendance and alert facility at the university.

Followed by; Dr. Y. P. Kosta, Honourable Provost of Marwadi University, welcomed and congratulated all the students for their acceptance to the Faculty of Pharmacy; at Marwadi University in their carrier path. He focused on the achievements and milestones the university has achieved with constant pursuance of excellence. He further explained the development of FoP, under the umbrella of MU and its progress.

Dr. Rajendrakumar Joshi; Director, Learning & Development, took an opportunity to explain the role of the L&D department. Moreover, they provided information to the students and parents for overall skill development, like how to face the interview and how to improve communication skills, etc.

Dr. Gaurav Gandhi, Assistant Vice-President, Placement Cell, spoke on the placement activities carried out by Marwadi University. They also briefed about required training programs planned to develop competencies to approach the job market.

The whole program was detailed and anchored by Ms. Krishana Raval, Assistant Professor, Faculty of Pharmacy. The entire event was coordinated by Dr. RP Burman, Associate Professor, Faculty of Pharmacy.

The orientation program was concluded by Dr. Vipul Patel with a vote of thanks, followed by National Anthem.

3. What should be the aim of master students?
4. About the course syllabus and significance of attendance
5. Importance of internal session tests and lectures.
6. To respect teachers in campus.
7. Responsibility towards the society as an educated person.

After the talk by Dr. Vicky Jain, Expert in Analytical chemistry Prof. Dr. Hetal Jabaliya explained importance of analytical/experimental chemistry in the B Sc as well as M Sc course. She also some experiments by showing demonstration videos on important experiments in analytical chemistry.

She also shares point for safety aspects in chemistry laboratory, during experiments. For that session was followed by what to do in chemical laboratory and what to not.

After which, all the students were taken to library for visit. In library departmental faculty given procedure for searching books. Faculties coordinators also motivates student to fully participate in every lecture and ask questionaries with faculties.

This visit followed by national Anthem.

The orientation program of the first-year B.Sc. and M.Sc. Semester 1 students is organized by the Department of Chemistry, Faculty of Science, Marwadi University, on July 12, 2018, 10:30 AM to 13:00 PM. All the parents and newly enrolled students of B.Sc. and M.Sc. Chemistry are invited to participate in this event.

We look forward to your presence and participation in the event.

Title of the event – Orientation program of B. Sc. and M. Sc. Chemistry (AY2018-19).

Date and time – July 12, 2018, 10:30 AM to 13:00 PM.

Venue – Auditorium, Marwadi University campus.

Who can participate?

Newly enrolled students of B. Sc. and M. Sc. Chemistry and their parents.

Dr. Vicky Jain

Head,
Department of Chemistry,
Marwadi University, Rajkot

Date: 12/07/2018

The orientation program for the all students form B.Sc. and M.Sc. Chemistry was carried out on date 12th August 2018 at PG building The total number students was 100.

Program started with by player to God by dignitaries [Principle, HOD chemistry departments].

Dr. Mayank Mamtora, has welcome the all students in first semester and congratulated them for successful completion of previous examination. He has introduced the all-departmental professionals with their specialization and expertise of field of expertise for faculties via presentation. He also introduce Principal Prof. Dr. Vaibhav Mehta for FOS and he requested him to welcome new students and, requested to say few words for encouragement.

He shared vision and mission of Marwadi Education foundation towards development, he also gives brief about departmental vision. He explains applicability of chemistry in field of science, and importance of chemistry for development of society. He presents the overall scenario of education and possible way get better education in new era of education.

Then Dr. Vicky, Jain, HOD from department of chemistry has delivered the motivational talk. He has given details abouts various facilities available in the institute in terms of research as well as graduate level labs. He also given brief about courses in detail. In his talk he covers following points

1. The rules and regulation Chemistry department, and detail procedure for classes to be start.
 2. The importance of chemistry in our life. And regarding the aim of master students.
 3. About the course syllabus and significance of attendance criteria
 4. Importance of internal sessions, tests and other activities.
 5. To respect teachers in campus. And Responsibility towards the society as an educated person.
- After the talk by Dr. Vicky Jain, Expert in Analytical chemistry Dr. Hetal Jabaliya explained importance of analytical/experimental chemistry in the B Sc as well as M Sc course. Department of Chemistry

Orientation programme report of B. Sc. and M. Sc.

Date : 11-10-2021

Time : 11.00 AM to 12.00 PM

Platform : Google Meet

Coordinator : Dr. Vicky Jain

Compiled By : Dr. Suranjana V. Mayani

In the department of Chemistry, for the newly admitted Undergraduate and Post graduate students, the orientation programme was conducted on 11th October, 2021 through Google Meet. Students were formally welcomed and introduced to the background of the Department and University. The Orientation program was held in different sessions in which both B. Sc. and M. Sc. students were present.

Welcome speech by Head of the department

The orientation began with a welcome speech given by Dr. Vicky Jain with motivational spirit. First of all, he introduced himself, explained his research activities and experiences. He tried to inspire the students from the beginning of their journey. Dr. Jain gave detailed information about the Marwadi University and he mentioned vision and mission of the university as well as vision and mission of the Department of Chemistry. Then he gave some valuable advices to the students about their studies and career in Chemistry.

Department Introduction and other Activities for the Students

Then faculties introduced themselves explaining academics, achievements in the field of research and teaching, and experiences of their career. Every faculty suggested scopes of their fields as Chemistry is specialized subjects in Organic, Inorganic, Physical and Analytical. Regarding students activities like sports, English day celebration, Industrial and Research institute visits were also described.

Several informations regarding department

In this regard Dr. Vicky Jain explained teaching style, teaching theory, Feedback and assessment process, how webinars and face to face interactions are helpful for blended learning. He also described teaching and evaluation scheme for B. Sc. and M. Sc. course and effectiveness of the pedagogy. Students were also informed about laboratory and instrumental facilities of the department. Availability of course materials and how to go through the student portal was also informed.

Placement related details and some other important information:

Dr. Vicky Jain gave the information about the placements for the students. He mentioned the details of the companies/institutes that have come for the interview at campus for previous year batches. He gave information about the procedure of the interview for the placement. Moreover he guided students about mentorship program at Marwadi University.

Overall Academic Environment of the institutes

In this regard, students were notified on following points :

- 3 Tier education system.
- World class educational campus
- Diversified culture
- More than 500 faculties with 100+ Ph.D. faculties.
- ICT based class rooms.
- Ph.D. qualified faculty members from the different parts of the country.
- Skill development programme for teachers and students.
- Student mentoring

Aptitude for innovation

Students were encouraged for innovative activities describing photographs and related research activities, student project, field visit, emphasis on practical based learning for maximum exposure in technical field, research internship at different accredited research institutes, expert lecture, knowledge sharing center (Science Club).

Question-Answer Session:

Students were given chance to ask to their queries/questions. Few students asked question about their curriculum and classes. They were all answered satisfactorily. Two of the passed out B. Sc. students also explained their experiences as Graduates from the department of Chemistry. And the session was concluded by the faculty members after giving all important information about the next sessions.

This event was aimed to encourage the students for their future in the field of Chemistry.

- ❖ **No of students Present : 38 (B.Sc. Sem 1) and 29 (M.Sc. Sem 1)**
- ❖ **Action: Absent students' parents are informed about commencement of the semester.**

Response: Almost all the students' parents informed that their son/daughter are going to attend session within one or two days.

Sr. No.	Faculty	Subject
1	Dr. Gaurav Sanghvi	All students were gathered in classroom and common instructions regarding their login and also about the labs and university guidelines were discussed by Head of the Department.
2	Dr. Ujwalkumar Trivedi	Dr. Ujwal Discussed about the importance of the subject and introduced all faculties of Department and also discusses with them the lab and classroom location.

Details of the day:

Sr. No.	Faculty	Subject
1	Dr. Gaurav Sanghvi	Introduction to microbiology and importance of Microbiology
2	Dr. Mahendrapalsingh Rajput	Microbes, its diversity and importance
3	Dr. Ujwalkumar Trivedi	Introduction to cells and its content
4	Dr. Krishna Joshi	Diversity of Microbes

Above mentioned faculties have explain following points during orientation program on the 1st day of the semester:

1. Course objectives/Course outcomes
2. Teaching evaluation
3. Subject content in brief
4. Reference books details

5. NPTEL videos
 6. Web reference
- ❖ **Note: Common instruction to all the students about 75 % attendance criteria.**

Orientation Program details**Date: 11-10-2021****Branch & Semester: Microbiology**

- ❖ No of students Present : 19 (B.Sc. Sem 1), 10 (M.Sc. Sem 1)
- ❖ Session was conducted online via google meet platform.
- ❖ Link of google meet: <https://meet.google.com/wdv-ojvp-oar>
- ❖ Time: 11-12 PM.

Session was initiated and conducted by Dr. Ujwalkumar Trivedi. He welcomed the students and explain about the working environment of the Department of Microbiology. He further welcomed all faculties and ask them to discuss about the topic of interest.

Following points were discussed in the meeting.

- Vision and mission of the department
- Department facilities.
- Role of mentors and faculties.
- Lab facilities and instrumentation at Department.
- Expert talks conducted by the session
- Importance of Industrial visits and visits arranged by the Department.

Following faculties further had given their introduction and discussed about interest and research carried out by them in life science field.

List of faculties presented

Dr. Gaurav Sanghvi	Dr. Pooja Moteriya
Dr. Prabuddha Gupta	Dr. Rekha Jain
Dr. Purvi Rakhashiya	Dr. Ashok Bishnoi
Dr. Mahendrapalsingh Rajput	Dr. Sumit Jaiswal

Common instruction given to all students in Orientation programme

- ❖ Students need to maintain 75 % attendance criteria.
- ❖ As Online classes is to be conducted, activate the student university email ID.
- ❖ Those student who have not received their login credentials inform asap.
- ❖ Information and link of the sessions will be spread though whatsapp group.
- ❖ For any information student can contact class coordinator and also head of Department.

Report of the Orientation Programme
Department of Physics, Marwadi University.

Dr. Jenishkumar Patel, head of the department, addressed the students of 1st year M.Sc. Physics, and 2nd year M.Sc. students. He formally welcomes the new students on the premises of the university and expressed his sincere gratitude to the parents for choosing Marwadi University (MU) for their kid's higher education.

He briefly mentioned the mission and vision of the university and that of the department followed by the history of the department of physics to the new students. He highlighted the several aspects that makes MU from the other universities includes educational tour, in house symposium, special interest group (SIG), training program for placement and the enhancement on the English language, and separate sports, internet, and library use slots.

Beside this he also informed about the functioning of the department in terms of lecture and laboratory conduction. He specially mentioned about the importance of the attendance in the lecture and laboratory failing which student may be barred from the exam.

He congratulated the 2nd year M.Sc. students for successfully completion of one year at the university and specially the toppers. He motivated the all the 2nd semesters students to work hard and suggested them to write all competitive exams including NET and GATE.

Dr. Patel introduces the M.Sc Sem-I class coordinator (CC) to the students along with the teachers who is going to take lecture for them.

At the end, HOD concluded the session by wishing the students for their best future.

Report of the Orientation Programme
Department of Physics, Marwadi University

In presence of all the staff members, head of the department Dr. Jenishkumar Patel addressed the all students (M.Sc. Sem-I, and M.Sc. Sem-III) of the department.

He welcomes all the new students to the Marwadi University (MU) campus and to the department of physics. He expressed his heartfelt gratitude to the parents/guardian of the newly admitted students for their believe and faith in the MU.

Mission and vision of both the university and the department were informed to new students. He highlighted the several initiatives that MU and Department of Physics took to make the teaching learning process more joyful at the campus with special emphasis on the role of the placement centre which conduct different training program to make the students fit the interviews.

Functioning of the department is mentioned the new and current students with special emphasis on the attendance policy of the university failing which students may be barred from the writing exams.

Beside the newly admitted students, he congratulated the 2nd year M.Sc. students for successfully completion of one year at the university. A few higher semester students expressed their view on the teaching learning process of the department. He shared that they are very happy that they have rightly chosen the MU for their higher education.

Class coordinators of M.Sc Sem-I were introduced to students at the end, he concluded the session by wishing the students for their best future and happy staying and teaching-learning process at the university.

Summary of the Orientation Programme
Department of Physics, Marwadi University.

The orientation program for the students belongs M.Sc. Physics Sem-I was carried out today at MA 306. Total number of student present was around 41.

Dr. Mukesh J. Keshvani, HOD, Physics welcome the students in their new semester and congratulated them for successful completion of one semester in MU campus. He presents the overall student related activities (e.g. expert talk, industrial tour, workshop etc.) that are going to be carried out in the forthcoming semester.

The class coordinator, Dr. Subrata Pal (M.Sc. Physics Sem-I) were introduced to the students by HOD & explained the role of class coordinator to the student. Students from the different semesters were invited to share their views on their academic journey so far at the university. All the students are very happy to share that they have rightly chosen MU for their higher education. Mr. Prnav from M.Sc. expressed his wish about a dedicated slot for student mentoring. All the suggestions of students were addressed by HOD. The personal and emotional attachment between the students and faculty members at the university is well appreciated by the students.

Finally HOD concluded the session by wishing the students for best future. A few glimpses of the program are shown here.

Report of the Orientation Program

No of students: 20

Name of class: M.Sc. Sem. 1 (SJ1)

Time: 11.00 am

Date : 26/10/2020

The orientation programme of the department was held on 26th October, 2020 through virtual mode using Google Meet platform (meet.google.com/xvh-tekf-ura).

At the beginning of the orientation programme, head of the department, Dr. Mukeish J. Keshvani welcome all the new students to the university and expressed heartfelt gratitude to the parents/guardian of the students for their believe and faith in the MU.

Mission and vision of both the university and the department were informed to the students. Students were informed about the different personnel associated with the MU management.

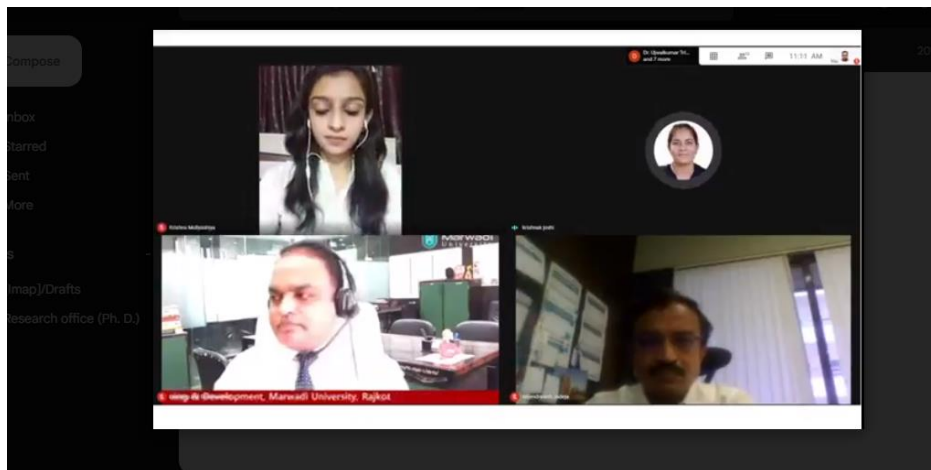

Beside the theoretical study, Dr. Keshvani emphasized the importance hands on session. He showed the different sophisticated laboratories and the instruments available in the laboratory and the minor project and major project (for M.Sc. students) scheme of M.Sc. students to motive them to the research work.

Dr. Keshvani mentioned the importance of the curricular and extra activities. Department has taken several initiatives to make the teaching learning process more joyful at the campus (sport slot, library hours, interact hours and many more). He mentioned about the 3 tier education system that we follow at the department. As a part of that, expert lectures are arranged frequently and one educational tour per semester. Beside this, he informed about the university examination policy and transparent evaluation policy of the university with strict attendance rule.

The achievement of the students of the department was shared with the new students. M.Sc. sem-I (Dr. Subrata Pal) were introduced to the students and Dr. Keshvani briefed the role of the class coordinator to the students.

Dr. Keshvani asked Ms. Rensi Vala (our B.Sc. pass out students joined M.Sc. programme) to share their view. Both of them are very happy and satisfied so far and that is why they have taken the admission in M.Sc. programme though they had other opportunities. Mr. Manav Gopalan, M.Sc. students mentioned that he wants to do research and he is happy to see the all qualified and experience teachers are available at the department. Mr. Harsh Kava mentioned that he wanted to appears for NET/GATE/GSET exam and he is very much pleased to hear that we have the competitive exam training facility available at the department.

At the end, Dr. Yogesh N. Jani presented the vote of thanks.

ORIENTATION PROGRAMME REPORT

Date:- 25th July, 2017.

Venue:- Auditorium, MU

Orientation Programme was held on 25th July, 2017. All students of M.Sc. Mathematics and their parents were invited for the orientation programme. There were students and faculty of science present in the programme.

Inauguration of the programme was been done with lighting lamp and prayer. The dignitaries present on the occasion were Prof. Y. P. Kosta (Provost), Dr. R. B. Jadeja (Dean- Faculty of Engineering), Prof. Naresh Jadeja (Registrar), Dr. R. L Jhala (Controller of Examination), Dr. Sarang Pande (Dean, Faculty of PG Studies), Dr. J. C. Prajapati (Principal, Faculty of Science).

After invocation and prayer, Dr. R. B. Jadeja, Dean- Faculty of Engineering addressed welcome to the audience for orientation programme. Prof. Naresh Jadeja, Registrar, Marwadi University has oriented regarding genesis of the university and institutions.

The honorable Provost, Dr. Y. P. Kosta., then expressed his cultivating ideas. He exhorted students to prefer research, entrepreneurship over on campus placement, education should be knowledge oriented rather than placement oriented. Students should try to attain overall development in sports, extra-curricular activities in addition to academics. He illuminated the audience about state of the art infrastructure of the campus.

Dr. Rajesh Patel, Chief Warden who discussed about the housing environment at the institute, the facilities and infrastructure active in the hostels, mess and hostel maintenance committees, mess council and the food of mess.

Librarian of the institute, Mr. Kaushik Rao, explained in detail about the vast inventory of literature available at the library, both in form of book as well as e-books. He talked about the digital library and facilities at the library or Learning Resource Centre, to make issuing of books hassle free. Further, all the facilities present at the library were given a short mention, like wifi, LAN, reading halls, journals.

The students were acquainted with the opportunities they will be receiving under the Student Mentorship Program and all the support and guidance that they will be getting from the mentoring team.

At the end of programme, Dr. J. C. Prajapati Principal, Faculty of Science has delivered vote of thanks to audience.

Orientation Program Report

Faculty of Science

Date: 12/07/2018

The orientation program for the students of M.Sc. Mathematics was conducted. In the beginning of the orientation programme the students from Faculty of Science, from all the departments were taken to the auditorium along with their parents/guardians. The entire programme schedule is attached at the end of the report. Then the students of M.Sc. Mathematics, along with their parents were brought to the academic building.

Dr. Subhanshu Goyal, the HoD of Mathematics, welcomed the students in first semester and congratulated them for successful completion of their undergraduate course. Dr. Subhanshu Goyal introduced all the department faculties, who were present there. Dr. Jignesh Chauhan discussed the importance of Mathematics and the increasing significance of Mathematics, which would help in various job opportunities. Mr. Vishal Bhatt discussed with the students regarding the significance of developing problem solving skills that would be helpful to crack various entrance exams, which includes significant proportion of math content. Also, Mr. Darshak Pandya discussed with the parents of the students regarding the placement opportunities that are being offered by Marwadi University.

After having elaborate discussion with the students as well as parents, there were several queries raised by the few students as well as parents, which were addressed by the faculty team.

Dr. Subhanshu Goyal then led the students including the parents, and assisted them to make a visit around the entire academic building and to look into the facilities that were being provided by the Marwadi University.

Tea and snacks were arranged for the students as well as parents in the department.

The session was concluded by vote of thanks by Dr. Subhanshu Goyal and again welcomed the students to the department.

Orientation Program Report
Faculty of Science

Date: 15/07/2019

The orientation programme for the students of Faculty of Science (FoS), from various departments was being organized in the auditorium, on 15/07/2019. Students from all the departments, affiliated with FoS, Marwadi University, who had taken admission in B.Sc./M.Sc. were welcomed with their parents/guardians to give them the overview of the system that is being followed at the University.

Students who had taken admission in M.Sc. Mathematics, in the Dept. of Mathematics, were taken for the department visit by Mr. Mahadityasinh Saravaiya, the faculty in Mathematics Department. He was accompanied by Mr. Darshak Pandya. Students who had taken admission in M.Sc. Mathematics were then briefed about the department. Dr. Gautam Hathiwala briefed the students, including their parents, about the scope of Mathematics, and how the M.Sc. Mathematics degree would be useful to them, for their future endeavors. Dr. Jignesh Chauhan then briefed about the various technical skills that would be developed while their M.Sc. degree is being pursued. The parents of the students were given open floor to ask any queries.

Dr. Gautam Hathiwala, Dr. Minakshi Biswas Hathiwala, Dr. Jignesh Chauhan, including other department faculties thanked the students for patiently listening to them, and gave their best wishes.

Faculty of Science**

26-10-2020

Time and Venue: 11AM

Department of Mathematics, FoS, Marwadi University

Class coordinator: Dr. Minakshi Biswas Hathiwala

Head of the Department: Dr. Subhanshu Goyal

Department of Mathematics had organized an orientation programme for the newly admitted M.Sc. (Semester I) students on 26/10/2020. It was organised on an online platform using Google meet app coordinated by the class coordinator. The program started with a welcome speech by the Head of the Department, Dr. Subhanshu Goyal. Dr. Minakshi Biswas Hathiwala then presented the necessary details and the various activities that had taken place in the department. Almost, all the newly admitted students attended the programme. There was also a session of 15 minutes in which students asked their queries and the Head of the Department responded to almost all the queries of the students. Finally, the programme ended with a vote of thanks by the department faculties to all the students.

Orientation Program Report

Faculty of Science

Date: 11/10/2021

The orientation programme for the students from Faculty of Science, from all the departments, which included Dept. of Chemistry, Dept. of Microbiology, Dept. of Mathematics & Dept. of Physics was conducted in the auditorium. The newly admitted students were invited along with their parents/guardians. The entire programme schedule is attached at the end. After the lunch break i.e. at 02:15 PM, students of M.Sc. Mathematics, along with their parents were brought to the academic building for a casual visit of the department.

Dr. Subhanshu Goyal, the HoD of Mathematics, welcomed the students in first semester M.Sc. Mathematics, and congratulated them for the successful completion of their undergraduate course. Dr. Subhanshu Goyal introduced all the department faculties, who were present there. Dr. Gautam Hathiwala discussed the importance of Mathematics and the increasing significance of Mathematics, and the various job opportunities that would be available after the completion of M.Sc. Mathematics. Mr. Vishal Bhatt discussed with the students about the placement cell of Marwadi University, and how it would be helpful for them to identify the right place for acquiring job. Dr. Minakshi Biswas Hathiwala discussed with the students regarding the importance of developing problem solving skills that would be helpful to crack various entrance exams, which includes significant proportion of math content. Also, Mr. Darshak Pandya discussed how he would be assisting the students who would be motivated to crack NET or GSET exam.

After having elaborate discussion with the students as well as parents, there were several queries raised by the few students as well as parents, which were addressed by the faculty team.

Dr. Subhanshu Goyal along with the department faculties led the students including the parents, and assisted them to make a visit around the entire academic building and to look into the facilities that were being provided by the Marwadi University.

Tea and snacks were arranged for the students as well as parents in the department.

The session was concluded by vote of thanks by Dr. Subhanshu Goyal and again welcomed the students to the department.

Date: 11th October, 2021

Circular of Orientation Programme for Academic Year 2018-19

Reference No. FoLMU/127/2018

Date: 30th July, 2018

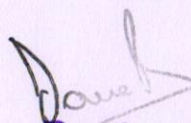

Dear Student,

Welcome to the Faculty of Law, Marwadi University Family.

As you must be aware that we are commencing our first session on 6th August, 2018, you are required to report on the campus at 9:00 am for registration. Students are invited for orientation along with their parents. The orientation will begin at 10:00 am and the details will be sent to you in due course. Regular classes will start from 7th August, 2018.

Important Instructions

- 1) 75% attendance is compulsory under any circumstances.
- 2) Students have to wear the uniform provided to them from Monday to Friday.
- 3) On Saturday students have to wear Lawyers uniform i.e. white shirt, black trousers, black blazer, black tie and black shoes. Students have to get their uniform stitched on their own.
- 4) It is advisable for students to have their own Laptop as it will be helpful in academics and assignments.
- 5) Students have to wear I-Card all the time inside the campus. Students will not be allowed to enter the campus or academic block if they are not wearing their I-Card.
- 6) Students do not have to purchase any books. All reading material will be provided by the faculty. In case students have to purchase books, the faculty will make arrangements for the same as and when required. Students have to bring notebooks to write notes of the lectures.
- 7) Use of mobile is strictly prohibited in the classroom. Any one found using mobile or if the mobile rings while the class is in progress, it will be confiscated by the faculty in-charge and shall be returned only after the payment of prescribed penalty.
- 8) Marwadi University is a no smoking and tobacco free campus. Any one found smoking or consuming them within the campus, will attract a fine of Rs.5000.

Dean Dean
Faculty of Law
Marwadi University
Rajkot

Instructions for Hostel Students

- 1) Students staying in hostel have to bring blanket and a lock for cupboard. Rest all will be provided by the university.
- 2) Students living in hostel can report to the campus on 4th or 5th August, 2018.
- 3) All personal things have to be brought by the students.
- 4) Students are required to follow hostel rules and regulations.

For any further clarifications feel free to contact us on +91 95120 10744.

Thanks and Regards,

Hetal Upadhyay

Orientation Report for Academic Year 2018-19

Date: 08th August, 2018

The orientation for first-year law students is a crucial event that serves as an introduction to the law school experience. It provides an overview of the expectations and requirements of law school and an opportunity to get to know the law school faculty, staff, and other students. The following is a report summarising the key components of the orientation program.

Welcome, Address:

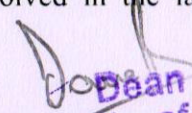

The orientation began with a welcome address from the law school's dean. The dean introduced the faculty, staff, and other key figures in the law school and discussed the expectations for the incoming law students. The dean also highlighted the importance of hard work and dedication in law school and emphasised the support and resources available to students.

Academic Overview:

The academic dean of the law school presented the academic overview. This included introducing the curriculum, the grading system, and the educational resources available to students, such as the law library, writing centre, and academic support programs. The academic dean also discussed the importance of class attendance, participation, and preparation, emphasising students' need to develop good study habits.

Student Services and Support:

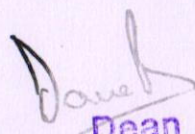

The student services dean delivered the student services and support presentation. This included an overview of the various services available to students, such as career services, counselling, and health services. The student services dean also discussed the importance of student organisations and extracurricular activities and encouraged students to become involved in the law school community.

Dean
Faculty of Law
Marwadi University
Rajkot

Professionalism and Ethics:

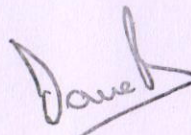

The professionalism and ethics presentation was led by a faculty member who discussed the importance of ethical behaviour and professional conduct in the legal profession. This included an overview of the rules of professional conduct, the expectations for ethical behaviour in law school, and the consequences for violating these rules.

The first-year law students' orientation provided an overview of the key components of the law school experience. It introduced students to the expectations and requirements of law school and allowed them to get to know the law school faculty, staff, and other students. The orientation emphasised the importance of hard work, dedication, and professionalism in law school and highlighted the support and resources available to students. Overall, the orientation served as a valuable introduction to the law school experience and gave students the foundation they needed to succeed in their legal education.

Orientation Report for Academic Year 2019-20

Date: 07th August, 2019

The first year of law school is an exciting and challenging time for students, filled with new experiences and opportunities for growth. This orientation report will discuss the essential information and resources that new law students should know to make the most of their first year at our law school.

Academic Programs:

Our law school offers many academic programs, including a traditional Law program and joint degree programs in business, public policy, and environmental studies. Additionally, we offer several specialised certificate programs in intellectual property, health law, and international law. New students must explore all these options and find the program that best fits their interests and career goals.

Coursework and Grading:

Law school courses are graded on a curve, meaning that only a certain percentage of students can receive the highest grades. This system can be challenging, but it's important to remember that everyone in the class is in the same boat. In addition, law school courses often require significant reading and writing, so students should plan their time accordingly and seek help from professors or tutoring services if needed.

Extracurricular Activities:

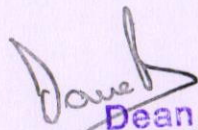

Our law school offers many extracurricular activities, including student organisations, law journals, moot court competitions, and pro bono opportunities. These activities are a great way to get involved and meet other students who share your interests. They also provide valuable opportunities to develop practical skills and gain experience that will be useful in your future legal career.

Career Services:

Our law school has a robust career services office that provides resources and support to students throughout their time in school and beyond. This includes assistance with jobsearches, resume and cover letter writing, and mock interviews. New students need to take advantage of these resources early on to build their professional networks and prepare for their future careers.

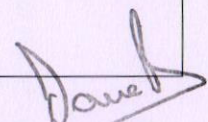

Conclusion:

The first year of law school can be challenging, but it's also an exciting time full of opportunities to learn and grow. By taking advantage of our law school's academic programs, extracurricular activities, and career services, new students can set themselves up for success and make the most of their time in school.

Orientation Report for Academic Year 2020-21

Date: 17th October, 2020

Welcome to the School of Law. The first year of law school is a significant milestone in your academic and professional journey. This orientation report aims to provide an overview of your first year at law school's academic, professional and personal aspects.

Academic Overview:

The first year of law school is focused on building a solid foundation in legal principles and analytical skills. You will take courses such as Contracts, Torts, Property, and Civil Procedure, which are the core courses most law schools require. In addition to these core courses, you may also have the opportunity to take elective courses, such as Criminal Law or Constitutional Law, depending on your school's curriculum.

During your first year, you will be introduced to the Socratic method, which is a method of teaching that involves questioning students in a way that challenges their assumptions and encourages them to think critically. You will also learn how to read and brief cases, write legal memos and take law school exams, which are different from undergraduate exams.

Professional Overview:

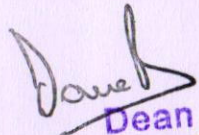

Law school allows you to develop essential professional skills. You will have the chance to network with professors and lawyers, participate in moot court and mock trial competitions, and work on research projects.

Your first year is also a critical time to explore career opportunities in the legal field. Law school career centres offer career counselling, job fairs, and on-campus interviews, which can help you explore career paths and find internships.

Personal Overview:

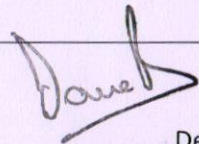

Law school can be challenging, but also an opportunity to build lasting relationships and develop new interests. Your law school may have a range of student organisations, clubs and events catering to diverse interests. You will also have access to campus resources such as the library, fitness centre, and counselling services.

Your first year at law school is an opportunity to learn, grow, and develop new skills. Embrace the challenges that come with law school and take advantage of the resources available to you. Remember that your law school journey is unique, and it is up to you to make the most of it. Good luck!

Orientation Report for Academic Year 2021-22

Date: 13th September, 2021

Welcome to our law school! As a first-year law student, you are about to embark on an exciting legal education journey that will shape your career as a lawyer. Our law school is dedicated to providing the best teaching and experience to all our students, and we hope this orientation will give you a good start.

Overview of Orientation:

The orientation is designed to provide a broad understanding of the law school's facilities, curriculum, resources, and expectations. The orientation will include presentations from the law school faculty, staff, and students and several practical sessions that will give you a taste of what law school is like.

Facilities and Resources:

During the orientation, you can tour the law school and its facilities, including the library, classrooms, computer lab, moot court, and student lounge. You will also learn about the various resources, such as career services, academic support, and student organisations.

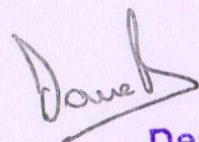

Curriculum:

The law school curriculum is designed to provide you with a strong foundation in legal theory and practice. During the orientation, you will learn about the various courses, clinics, and externships available. You can also speak with the faculty and students to learn more about their experiences.

Expectations:

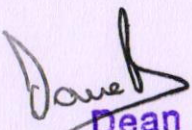

Law school is a challenging and rewarding experience, and we want to ensure you are prepared for the journey ahead. During the orientation, you will learn about the expectations of law school, such as attendance, participation, and academic performance. You will also have an opportunity to learn about the various policies and procedures you must follow.

This orientation will give you an excellent start to your legal education. Please do not hesitate to ask questions or seek assistance from our faculty and staff. We are here to support you on your journey to becoming a lawyer, and we wish you all the best.

Circular of Orientation Programme for Academic Year 2022-23

Reference No. FoLMU/212/2022

Date: 3rd August, 2022

Dear Student,

Congratulations! We, at the Faculty of Law, Marwadi University, heartily welcome you !

The Faculty of Law, a niche department of Marwadi University, is set to provide a transformative experience in the paradigm of legal education in our country. Our vision is to impart in-depth legal knowledge, inculcate ethical values, analytical reasoning & to blend theoretical learning with practical application of the law for creating legal professionals who are trusted advisors and advocates of rules of law and justice. We are facilitators of the lawyers of the future!

The **Orientation programme** is designed to help you in understanding and fulfilling your substantial goals in your life and career. We at FoL, facilitate our students, to realize their intellectual capital, identify their skill gaps and to enhance preparedness for the world of knowledge and wisdom. Your journey with us will commence on **August 22nd, 2022 at 11.00 a.m.** Venue: **Moot Court Hall, Law Building, Marwadi University Campus, Rajkot.** Your **registration process will start from 9.30 am at LB 103 (Law Building) on the same day.** You need to bring the **Student ID Card provided by the University** as this will enable the smooth completion of your registration at the campus.

Attendance for the orientation programme is **Compulsory** and you are requested to **report on time.** The university holds a strict policy of 75% attendance to all classes and it is expected that you adhere to it from day one. The **Dress code** for the programme is the **Uniform, provided by the University. You can attend the session along with your parents and/or guardians.**

We are eagerly awaiting your presence at the commencement of this unforgettable learning experience!

Orientation Report for Academic Year 2022-23

Date: 29th August, 2022

Welcome to law school! We are excited to have you in our community of aspiring legal professionals. This orientation report will provide an overview of the law school and what you can expect during your first year of study.

Academic Program:

The academic program at the law school is designed to provide you with a comprehensive legal education. You will take courses in various subjects, including contracts, torts, civil procedure, criminal law, property law, and constitutional law. In addition, you will have the opportunity to participate in moot court competitions, write for the law review, and participate in various student organisations.

Expectations and Requirements:

As a law student, you must attend all classes, complete all assignments, and participate in classroom discussions. You must also maintain a minimum GPA and adhere to the law school's code of conduct. To meet all requirements, you must familiarise yourself with the law school's policies and procedures.

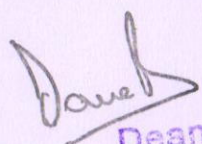

Support Services:

The law school offers various support services to help you succeed academically and professionally. These services include academic advising, career counselling, and writing assistance. We encourage you to take advantage of these resources as needed.

Career Opportunities:

The law school has a strong reputation for producing successful legal professionals. Graduates of our program work in various legal fields, including corporate law, public interest law, and government law. We offer a robust career services program that gives students access to job postings, networking opportunities, and other resources to help them succeed in their chosen career path.

This orientation report has given you a good understanding of what to expect during your first year of law school. We are committed to supporting you throughout your academic journey and helping you achieve your goals. If you have any questions or concerns, please do not hesitate to contact our staff for assistance. Good luck, and we look forward to seeing you in class!
